

# **SUMMER POINT HOA**

## **ANNOUNCEMENT**

### **\*\* NEW WATERING DAYS IN SUMMER POINT \*\***

The City of McKinney has changed our weekly watering days to match  
the NEW TRASH DAYS of WED and SAT each week.

This will begin WED OCT 2, 2024. According to the City, they will allow  
time for people to adjust to this new City-Wide Schedule  
and will not issue fines or penalties at this time.

Please adjust your watering controllers from Tues and Fri. to WED and SAT.

This change will also affect our Landscaping Service by Home Scapes.  
Our Main Landscaping Day is Thurs. each Week and will remain the same.  
Please remember to set your water time on WEDS early enough in the evening,  
to prevent your lawn from being soaking wet the next morning THURS,  
when our Landscaping Vendor services our HOA. Please make sure that  
NO WATERING is done on THURS. MORNINGS.

If your Lawn is too WET, it will not be mowed that week.

Please adjust your watering controllers from Tues and Fri. to WED and SAT.

Thanks again to everyone for your cooperation, consideration and support.
