# NOTE FROM THE DIRECTOR

Dear Patrons,

Welcome to Miami Acting Company's production of *9 to 5: The Musical!*

It has been an absolute privilege to direct and choreograph this powerhouse of a show, filled with heart, humor, and a message that still resonates today. From the first audition to our final dress rehearsal, I have been continuously in awe of the talent, passion, and dedication of this phenomenal cast. Their hard work and commitment have shaped a production that I am deeply proud of, and I cannot wait for you to experience the energy and magic they bring to the stage.

This show has been a true labor of love, and I am beyond grateful for the opportunity to collaborate with such an extraordinary group of performers and creatives. What you're about to see is a vibrant, hilarious, and empowering celebration of resilience, friendship, and finding your voice.

When the original *9 to 5* film was released 45 years ago, it struck a powerful chord with audiences across the country. Its message of workplace equality, female empowerment, and standing up against injustice was groundbreaking then—and it's just as relevant now. The story speaks to the frustrations many still face today: unfair treatment, lack of recognition, and the fight for a safe and respectful work environment. But it also reminds us of the strength we find in each other when we come together with courage and purpose.

This musical adaptation, with its unforgettable score by Dolly Parton, brings even more heart and humor to the iconic story. It's a celebration of bold women, meaningful change, and the power of solidarity. I truly hope it leaves you inspired, energized, and maybe even humming a tune or two on your way out.

I want to offer my heartfelt thanks to **Miami Stage Costume at Miami Children's Theater** for generously providing the costumes for this production. Your support has been instrumental in helping us bring the world of *9 to 5* to life with flair and authenticity.

I also want to extend a very special thank you to the entire staff of the **Westchester Cultural Arts Center**. Your tireless support, professionalism, and enthusiasm have played a vital role in the success of this production. We are so fortunate to create art in a space as welcoming and vibrant as yours.

Thank you to our wonderful audience for joining us. We do this for you, and we are so glad you're here. Now sit back, relax, and enjoy the ride—you've got a wild workday ahead!

With immense gratitude,  
**Nancy 'Nansanity' Andrade**
