

Hello Consignors!

We are anxious to help you cash in during the spring event and we have two tips to help you do so!

1. Price it WELL and watch it SELL! Prices slightly too high are big reasons for low sales. Think of what YOU would pay at a consignment sale. Then, remember prices you find on clearance racks with extra coupons! Try to beat those prices and wow shoppers into buying more and more.
2. Mark them DISCOUNT and help your bank ACCOUNT! Participate in DISCOUNT DAY! This morning of the sale has a HUGE turnout of shoppers who specifically attend for 50% off. Don't encourage those shoppers to choose discounted items over your full price items.

Happy Tagging!
