Seven by Seven playlist #62 – 23 February 2024

It looked like a slow start as we realised that we were in competition with Leeds at home to Leicester (*remarkable comeback!*) – and the resulting chaos on the buses as the faithful were ferried out to Elland Road. Still, it all went very well in the end. Great to have Colin along from Record Plant in Farsley to sell us all a few more 7"’s. Thanks to Northlight for the lovely lighting and the late night pizza. The vegan samosas also went down well it seemed. Quest felt a bit like a teacher getting kids to do their homework at times – this is what he got them to write in the big black book:
