

Planning Commission **Secord Twp. Planning & Zoning**

www.secordtwp.com

Planning and Zoning Meetings are held the second
Wednesday of each month

Short-Term (STR) & Rentals

**STR/Rentals require an application to receive a
License/Permit. Visit our website for information
regarding the STR/Rental Ordinance.**

**Rental properties require inspections from the Health
Dept. and Fire Department.**

A few reminders:

- Changes on property will require an approved permit. Contact Zoning Administrator to issue permits.
- Most signs and outdoor storage containers require a permit.
- Point of sale inspections: It protects our main asset, the river and lake. An approved inspection of your well and septic is required for the sale of any property or change of ownership. The inspection, once approved is good for 5 years.

Please be aware of the change of the Fireworks Ordinance.
Dates and times of usage can be found on the website.
There will be a fine of \$1,000.00 for each violation.

Planning Committee consists of
Board of Appeals Chairperson - Keri Shaffer
Zoning Admin Harold Day (586) 615-1593

**All Ordinance complaints must be made by
contacting the Township Supervisor by e-mail or
written & mailed via Post Office.**

Secord Township Board

*Meetings are held at 10:00 am on the 3rd
Wednesday of each month. Property owners
are welcome and encouraged to attend.*

SECORD TOWNSHIP

1507 Secord Dam Rd

Gladwin MI 48624

989-426-7445

989-426-3232 fax

www.secordtwp.com

Garbage Collection

Normal garbage collection is on Mondays from 6am to 8pm.
Exceptions are holidays and weather conditions.

Call ahead for large item trash pickup.

***Be sure to state you are in Secord Twp and give
your full address.***

Republic Waste 1-800-858-0089

***Recycling will be picked up on every other
Thursday for the entire Township.*** Yard Waste
pick-up is Tuesday between 6am and 8pm from
April through November. Yard waste should be in
biodegradable paper bags or open containers
specifically marked as YARD Waste. Yard waste
is defined as leaves, grass clippings, twigs
(branches less than 1 inch) and dried lake debris.

It is illegal to blow debris into the water!!!

We advise you NOT to burn leaves in the ditches
due to the eventual run-off that will find its way to
the river and promote weed growth. We also now
have natural gas in many areas and the lines run
through the ditches. Burning over a gas line is
very dangerous.

Property Taxes

Property taxes are billed twice each year
2024 Summer Taxes, July – Sept. 16, 2024,
Winter Taxes Dec – Feb. 14, 2025 payable at
the Township.

Late payments paid after Feb 14 2025 must
be paid directly to the Gladwin County
Treasures office [late fee will apply].

Payment by mail is preferred

The office will be open all day 9-5 on
December 27, 2024 & February 13, 2025.
Other walk-in's call for appointment
810-730-6872.

Cash payments MUST be EXACT.

Post marks not accepted. Receipts mailed
only with self-addressed stamped
envelope.

To pay online: secorrdtwp.com, vender
charges a 3% (minimum \$1.50) fee. If using
e-checks make sure your property ID is
noted on the check. Credit cards are
accepted only on line. This is though our
web site; **www.secordtwp.com**

We also have a Drop box next to door at
1507 Secord Dam Rd. to receive your
payment.

Please note that your address on your bill is
correct, sending changes back with your
payment if necessary.

*This link will allow you to register for your own log in
for free access, as a property owner in Secord Twp,
for up-to-date tax information.*

*An information fee will be charged to non-property
owners requesting information.*

Secord Lake Water Return

Homeowners will be responsible to cut
between their seawall out 40 feet.

EGLE has approved the spraying of the sand
bar. PLM used a product to help with the
cottonwood and willow tree growth.

Road Committee

Apply Brine to all remaining dirt roads within the
township (4.31 Miles)

Crack Seal Sector 2 (8.4 miles)

Chip and Seal Lakeshore Drive one mile south of
Secord Dam Road

Pave Secord Dam Road (1.4 miles) between

Lakeshore Drive and Three Rivers Road

Pave Lakeshore Dr. from Wirtz Rd. North to the
Township Border (1.5 miles)

Pave Whitetail Trail from where it starts on M30
to Fawn Lane, Fawn Lane to M30, and Deer Run
Rail to Fawn Lane (basically the entire loop M30 to
M30 plus Deer Run Trail)

Mow ditches within the township to provide more
visibility of the wildlife in the ditch areas.

*Dead fall cleanup is the responsibility of
the property owner*

Hall Rental

Rental is limited to Secord Township residents
only. Please call Clerk Panetta for
updated rental information, prices and to
schedule a rental at

Please remember this is a public building.

NO SMOKING is allowed in the hall and
NO ALCOHOL is allowed in the hall or
on the township premises.

**Secord Township Hall is an
American Red Cross
Designated Heating and
Cooling Center**

Fire Department News

2024 was a very busy year for the Secord Fire
Department.

We have a drone to aid in rescue which will be
helpful in forest areas. The Rescue Boat not a
Patrol Boat. We have been doing some
fundraisings to buy equipment for the boat so it
will be ready when Secord Lake comes back.

The Fire Department has Open House events
and Fundraisers throughout the year.

Chief Fred Shaver is willing to meet with anyone
who would like more information about the fire
department or who would like to view the
equipment. He is at the station on the 2nd and
4th Monday each month from 4 to 8pm.

For more information call
989-429-2329

Chief Shaver also reminds everyone to check the
batteries in their smoke detectors and CO 2
alarms. Both could save your life and the life of
those you love.

**Remember, burning of leaves and debris in
ditches is illegal and you can be fined by the
Township and the E.G.L.E.** We advise you not to
burn in ditches due to the eventual run-off that
will find its way to the river and promote weed
growth. We also now have natural gas and
cable in many areas and the lines run through
and along the ditches. Burning over a gas line is
very dangerous. Be mindful of burning on or
near the lake beds as it will be very hard to
rescue due to lack of water.
