HISTORIC 8-ALBUM SIMULTANEOUS CATALOG DROP • SOVEREIGN MEDIA ECOSYSTEM

THE HOUSE OF VICTORIA NAPOLITANO MAKES MUSIC HISTORY WITH SIMULTANEOUS 8-ALBUM RELEASE AND LAUNCH OF CLUB NAPOLITANO PRIVÉ

BEVERLY HILLS, CA — The House of Victoria Napolitano, an unprecedented, fully independent luxury house operating at the intersection of haute couture, equestrian sports, and electronic music, officially announces a monumental double-milestone taking effect September 18, 2026.

Led by award-winning producer and accredited international journalist Victoria Napolitano, the independent house is set to premiere *"Exclusive in Beverly Hills"*—the definitive deep-house anthem celebrating an unapproachable, sovereign lifestyle. The track serves as the centerpiece for an unprecedented catalog drop of 8 full-length studio albums, releasing simultaneously to a global audience across 26 streaming platforms.

AN INDEPENDENT POWERHOUSE RESHAPING GLOBAL MEDIA

Unlike traditional luxury labels reliant on third-party conglomerates, The House of Victoria Napolitano operates as an autonomous, self-contained media ecosystem. From original music composition and haute couture design to global radio syndication, every asset is created, owned, and distributed in-house without outside co-writers or studio markup.

Broadcasting through VNSNRADIO.COM, the house reaches high-net-worth listeners across 12 syndicated platforms in over 140 countries, solidifying its position as an elite global music authority.
