

ISO 14001:2026 Environmental Policy Template

Free Sample Template by SustainPro AI | sustainpro.ai

Organization Name: _____

Prepared by: _____

Approved by: _____

Date: _____

Version: 1.0 | Document Ref: EMS-POL-001

1. Purpose

[Organization Name] is committed to protecting the environment and preventing pollution as an integral part of our business operations. This Environmental Policy establishes the framework for setting and reviewing our environmental objectives and targets in accordance with ISO 14001:2026.

2. Scope

This policy applies to all activities, products, and services carried out by [Organization Name] at [Site/Location]. It applies to all employees, contractors, and visitors to our premises.

3. Environmental Policy Statement

[Organization Name] commits to the following environmental principles:

- a) COMPLIANCE: We will comply with all applicable environmental legislation, regulations, and other requirements to which the organization subscribes.

- b) POLLUTION PREVENTION: We are committed to preventing pollution through the control and reduction of our environmental aspects and impacts, including emissions to air, discharges to water, waste generation, and resource consumption.

- c) CONTINUAL IMPROVEMENT: We will continually improve our environmental management system and environmental performance through the setting of environmental objectives and targets.

- d) SUSTAINABLE RESOURCE USE: We will strive to use natural resources, energy, and water efficiently and work toward a circular economy approach.

- e) CLIMATE ACTION: We will work to reduce our greenhouse gas emissions and adapt to the effects of climate change.

- f) COMMUNICATION: We will communicate openly with stakeholders, employees, customers, and the community about our environmental performance and commitments.

- g) SUPPLIER ENGAGEMENT: We will work with suppliers and contractors to encourage environmentally responsible practices throughout our value chain.

4. Roles and Responsibilities

Top Management: Provides leadership, resources, and ensures this policy is communicated, understood, and maintained.

Environmental Manager / EMS Representative: Responsible for implementing, maintaining, and monitoring the EMS and reporting performance to top management.

All Employees: Required to follow environmental procedures, participate in training, and report environmental incidents or concerns.

5. Policy Review

This Environmental Policy will be reviewed at least annually or whenever significant changes occur to the organization's activities, products, or services. All revisions will be approved by senior management and communicated to all relevant stakeholders.

6. Approval and Authorization

Signed by (CEO/Managing Director): _____
