MEDIA ALERT:

Residential Collection Schedule Moves to Earlier Start Time

Collection Will Begin at 6 a.m. for June, July, & August

- WHAT:** Waste Management of Kansas, Inc. residential routes for the Kansas City metropolitan area will begin at 6:00 a.m. due to the extreme heat forecasted for coming weeks.
- WHEN:** Effective Monday, June 22, 2020 until September 1, 2020.
- WHERE:** Residential customers serviced by Waste Management in the following counties: Johnson, Wyandotte, Leavenworth, Miami, Linn and Franklin Kansas and Jackson, Clay, Platte and Cass, Missouri.
- MORE:** The safety of our employees is one of our top priorities. The current 30-day outlook for Kansas City metro area reflects periods with temperatures greater than 90 degrees. We ask that residents place their trash and recycling carts at the curb by 6 a.m.
- WHO:** Waste Management is the leading provider of comprehensive waste and recycling services across North America. We're strongly committed to a foundation of operational excellence, professionalism, safety and financial strength, all of which are needed to service 21 million customers.
