We are a UK based Healthcare company specialising in the design, development and manufacturing of eye care, eye beauty and skincare products founded by the pharmaceutical maverick entrepreneur & research scientist **Nikhil K Masurkar**. Being a maverick in his field and often called as the **"Elon Musk of the Pharma Industry"** for his groundbreaking innovations in the eye care and skincare segment, Mr. Masurkar hails from a proud pharmaceutical business family that inherits an inspiring legacy that goes back over a 100 years.

We specialise in Ocular Diagnostics, Dry Eye therapies, Speciality Skincare and Consumer Healthcare products. With supplies to over 67 countries worldwide, we have over 45 years of expertise in this field, a globally accredited international factory network and a team of over 2000 employees. Our products are manufactured to European & Global standards using technology mastered by the laboratories of one of the world's leading research-based speciality eye & skincare companies ENTOD Pharmaceuticals.
