►► Research

We are a UK based Healthcare company specialising in the design, development and manufacturing of Ophthalmic specialities, Eye Drops, Skincare and Wellness products. We specialise in Ocular Diagnostics, Dry Eye therapies, Speciality Cosmetics, Wellness and Consumer Healthcare products. With supplies to over 67 countries worldwide, we have over 45 years of expertise in this field, a globally accredited international factory network and a team of over 2000 employees. Our products are manufactured to European & Global standards using technology mastered by the laboratories of the ENTOD International Pharmaceutical Group.
