In an alluring boho-chic and romantic setting, our friendly team provides tailor-made experiences for couples: a wedding proposal, your honeymoon, special details in the room, local cooking classes or even a massage for two...you dream it, we create it. Our service is infused with generosity, and our dedication with authenticity.

And to bring you back to moments of peace and tranquility, the hotel's garden is peppered with little private bubbles of relaxation: green corners, a jacuzzi with a waterfall, or even a pavilion by the beach. Here, moments of togetherness are cherished.

Between wide smiles and the simple pleasures of life, at Solana Beach Mauritius, you will experience authentic happiness like no other, and memories to last you a lifetime.

At the entrance to this 4-star superior hotel in Pointe Jérôme, a banyan tree stands as a symbol of a hotel with deep Mauritian roots. Next to it, the old lime kiln bears witness to a rich historical heritage.

With its open spaces, natural materials and trendy décor, Preskil Island Resort combines the charm and elegance of island architecture with modernity.

Like a window onto the beauty of the island's south-east, it is protected by one of the island's most beautiful lagoons on one side and the imposing Lion Mountain on the other.
