March 12th, 2020

Dear the Joe & Mary's Ticket Holders & Sponsors,

We are writing to you because we value the health and well-being of our guests whom attend our show. With the current novel coronavirus (COVID-19), we were notified today, that the Quebec Premier François Legault is asking all organizers to cancel all events attracting crowds of more than 250 people.

With this being said, the show on March 28th, 2020 will be postponed to a later date. This is not a cancellation but we are simply following the plan of our Quebec government. As of now, please keep your tickets as we cannot issue any refunds at the moment but we will honor your tickets to our future show.

We ask you all too please be patient as this is an act of God and we did not foresee this happening. We will keep you all updated with further information on a new date to our show.

Please check-out our social media for further updates on our show.

Thank you for your understanding.

See you at the show!

Sincerely,

The Joe & Mary's Administration
