

HAVE YOU THOUGHT ABOUT A **PARASITE** **CLEANSE?**

INGREDIENTS MATTER

Not all cleanses are created equal. The right ingredients in the right amounts make all the difference.

EVEN NATURAL CLEANSSES MUST BE USED CAREFULLY

More is not better. The wrong ingredients or using them too often can do more harm than good.

SOME INGREDIENTS, WHEN USED OFTEN, CAN BUILD TOXICITY

Ingredients like wormwood are powerful, but frequent use can stress the liver, nervous system, and gut.
