

IODINE + SELENIUM

THE ESSENTIAL PARTNERS FOR TOTAL-BODY HEALTH

IODINE FUELS YOUR BODY.

SELENIUM ACTIVATES AND PROTECTS.

IODINE THE FUEL

Iodine is required for the production of hormones and compounds that every cell in your body depends on.

IODINE IS NEEDED FOR EVERY SYSTEM IN YOUR BODY

BRAIN & NERVOUS SYSTEM

Supports cognition, mood and memory

CARDIOVASCULAR SYSTEM

Supports healthy heart function and blood pressure

IMMUNE SYSTEM

Enhances immune defense and infection resistance

DIGESTIVE SYSTEM

Supports metabolism, enzyme production and gut health

HORMONAL BALANCE

Essential for thyroid hormones, reproduction and fertility

**IODINE FUELS
EVERY CELL,
EVERY SYSTEM,
EVERY DAY.**

SELENIUM THE PROTECTOR

Selenium protects your body from oxidative damage and helps activate iodine.

SELENIUM WORKS WITH IODINE TO:

ACTIVATE THYROID HORMONES

Converts T4 to active T3 for optimal thyroid function

PROTECT THE THYROID

Shields thyroid tissue from oxidative stress

POWERFUL ANTIOXIDANT

Neutralizes free radicals and supports cellular health

SUPPORT DNA REPAIR

Helps protect cells from damage and mutation

OPTIMAL IODINE LEVELS LOWER CANCER RISK

BREAST CANCER

Risk lowers by up to

67%

PROSTATE CANCER

Risk lowers by up to

63%

Studies show significantly lower risk with optimal iodine status.

**IODINE FUELS LIFE.
TOGETHER, THEY CREATE**

**SELENIUM PROTECTS LIFE.
OPTIMAL HEALTH.**
