

SMART Internet Safety Pledge

I pledge to follow Cam's safety plan below:

SAFE: Keep safe by being careful not to give out personal information--such as your full name, email, phone number, home address, photos or school name--to people you are chatting with online

MEET: Meeting someone you have only been in touch with online can be dangerous. Only do so with a parents' permission and even then, **ONLY** when your parents can be present.

ACCEPTING: accepting emails, messages, or opening files, pictures or texts from people you don't know or trust can lead to problems--wthey may contain viruses or not-so-friendly messages.

RELIABLE: Information you find on the internet may not be true, or someone online may be lying about who they are. Make sure you check information before you believe it.

TELL: Tell your parent or guardian or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.
