City _____ State _____ Zip _____ Type of vehicle or equipment _____

- All mats are made with NFPA Fire resistant rated PVC coated polyester woven fabric.
- Base mat materials are an 18 oz. vinyl - you can request 22 oz or 40 oz vinyls to better accommodate your needs
- Edges are a up-turn rolled hemmed edge, approx 1 1/2" wide and will contain minimal fluids from spilling off of our PIT MATs, that currently fulfills the minimum requirements set forth by the BLM. Check with your Organizations or Series for additional requirements.
- The CONTAIN-MAT comes with the 1"+ dam, that meets and exceeds BLM requirements and most racing organizations
- All Mats come with Stainless-Steel grommets in corners, middle lengthwise or every 10' +/-.

Base Mat Costs ; 4.5' will be 1 panel/color ----- \$ 2.25 to \$4.25 square foot
 5' - 9.5' will be 2 panels/ 2 color option ----- \$ 2.75 to \$4.05 square foot
 10' - 14.5 will be 3 panels/ 3 color option ----- \$ 3.25 to \$3.95 square foot

Add-On's & Alternates:

Our current heaviest weight 40 oz. black vinyl can be added for extra stability to any configuration of Mat;
 Reinforcement pads for jack placement are welded/bonded & sewn along edge - Typically are 30" x 60" and placed at one or both ends of Panel 2
 Can be any size, Note location and size on diagram - Pad cost \$150 ea. or \$12.50 Sq Ft

Upgrade Panels to a heavier duty material
 22 oz. or 18 oz. specialty marble colors adds \$ 0.45 sq ft to that area only
 40 oz. adds \$1.35 sq ft to that area only

Heavy equipment applications - Treads for track loaders or other type of equipment, let us know and we will do our best to get you what you need

Add more #4 -1/2" stainless-steel grommets - sold in pairs add \$4.00 - note location on pg2 diagram
 NOTE: All Mats come with Stainless-Steel grommets in corners, middle lengthwise or every 10' +/-.
