

About: Orlando LetterBoard Community Inc.

Welcome to the Orlando LetterBoard Community!

We are here to support spelling as a communication method for nonspeaking, minimally speaking and unreliable speaking individuals. Methods that we support include but are not limited to spelling on any letterboard, keyboard and/or computer. Our mission is to provide engaging social and recreational opportunities for spellers to meet each other, create friendships and experience the fun that Orlando has to offer us together. Additionally we provide support for families of spellers for resources and friendship.

We are a non-profit 501 (c)(3) organization. Donations made to Orlando LetterBoard Community (OLBC) assist in covering costs of social and recreational events so that our spellers, their families and their Communication Regulation Partners (CRPs) can go to our planned events for free or minimal cost.

We are building a following of spellers of all ages in the Orlando area. No matter where you are in your spelling journey, you are welcome to be a part of OLBC. We are not in a hurry to grow too fast. We are of the mindset that “slow and steady” is the way to build OLBC and OLBC friendships. When our community is ready, we are here.

Please consider making a tax deductible donation to help us keep our events free for spellers and accessible to families and CRPs.
