

# MINOR SURGERIES MEDICAL PROCEDURES

Get quick, expert care for life's small but urgent problems—right in our clinic, without the hospital hassle or bill

**Skin Tags**

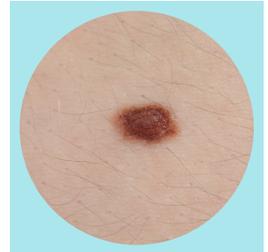

**Lacerations**

**Lipomas**

**Keloids**

**Biopsy**

At Causeway Medical Clinic we offer in-office minor surgeries such as lipoma and cyst removals, mole and skin lesion biopsy and excisions, laceration repairs and more using local anesthesia in a comfortable setting. These procedures are typically brief, cost-effective, and let you get back to your day with minimal downtime.

Schedule your appointment at (813) 628-4400
