

Criteria for inclusion on The Portuguese Podengo Club of Great Britain's Judges List

(Issued January 2010)

Introduction

- A) Inclusion on any of the Club's judging lists is subject to the candidate completing the Club's Judges Application & Questionnaire and meeting the stated criteria. It is at the discretion of The Portuguese Podengo Club of Great Britain Judges Sub-Committee who reserve the right to refuse an application. Even if a judge fulfils the required criteria it does not guarantee automatic inclusion on any of the Club's judging lists.
- B) In applying for inclusion on any of the Club's judging lists the applicant agrees to the condition that they will write a critique on all judging appointments and will submit them to the canine press and send a copy of the critique to the Secretary of the Club within a month of the date of the Judging appointment.
- C) It is the expectation of the Club that judging appointments will cover a wide geographical area.
- D) The judging lists are only valid from the 1st January to the 31st December each year. The Club will then update all lists but reserve the right to amend these lists at any time at their discretion.
