Conservatory Policies and Lessons Contract

Philosophy and Mission

- * To enrich lives through music
- * To nurture the artistic spirit in each student and instill a lifelong love of music and learning
- * To develop sound piano technique and life-long skills in an energetic and inspiring environment

Here at Musical Minds Conservatory, we are completely committed to offering all students a well-rounded, educational, and positive music experience. We provide an enthusiastic atmosphere for learning and encourage success and motivation through each student's individual learning style. Students are instructed in theory & ear training, sight reading, technique, ensemble, classical and popular repertoire, creative keyboard skills, and other styles of music. Students are also instructed regarding poise and confidence at their instrument.

Performances: There will be many performance opportunities throughout the year. Formal recitals, community outreach events, master classes, and competitions including Federation, RCM, and Guild help students excel and provide students the forum to share their talents!

PARENT

Parental support and involvement are a vital and necessary part of music study. Your child's progress is directly related to the following:

Help your child develop a schedule that includes **daily practice time**. Reinforce this schedule to develop consistent practice habits throughout the year. Show support by arriving on time at each lesson with ALL books and materials, and the practice log filled in and signed. Help students practice with specific goals for all recitals/ performance events.

Provide a **metronome** at home. Students should use the metronome daily to aid them in sight-reading, counting, technical exercises, fluency, steadiness and 'spot' practice.

Check the lesson notebook/ 3-ring binder for studio newsletters, calendars, student lesson sheets and other communication that will be sent home.

Students need a quiet environment in which they can practice with concentration. Keep a pencil nearby to write notes in the music and fill in practice time. Feel free to text or email if there are questions about the lesson assignments. **Calling hours are 9 a.m. to 9 p.m.**

For piano lessons: Keep your piano tuned and in good working order. A full size (88-key) acoustic piano is recommended but an electric piano (at least 76-key WITH a pedal and an appropriate bench) will suffice for the first year of study.

For premium in-home piano lessons: We require that you have a full-size piano with weighted keys, pedals, and an appropriate bench.

STUDENT

Students should bring the following to all lessons:

Lesson notebook/binder with practice days correctly filled in and signed by a parent

All music books and sheet music (Flashcards if applicable)

* Students agree to at least 5 days a week of goal oriented practice time and show willingness to learn and a positive attitude.

YEARLY REGISTRATION FEE

A **\$49.00** per student (**\$89/** family), non-refundable, non-transferrable registration fee is due by **July 23, 2018** to reserve a lesson slot for the coming academic year. This fee covers all studio and recital expenses throughout the year. It also includes a Premium Piano Maestro membership (iPad app), use of the latest technology in lessons, check out privileges from the music book lending library and the CD lending library, lesson notebook/binder and accessories, and music flashcards. It is the students' responsibility to replace any lending library book or CD that is lost or ruined.

TUITION

Tuition is based on the academic year from August 2018 through May 2019. You may pay in 2 equal semester payments (due July 23, 2018 and December 23, 2019) for a discount, or you may choose the monthly auto debit option to pay in equal monthly installments.

Families choosing monthly payments will be set up on automatic payments through a credit or debit card of choice to be billed the 23rd of each month for the following month's tuition.

There is a \$20 fee for a declined payment or NSF from your account if payment hasn't gone through by the 1st of the month. Please ensure your payment information stays current in our records.

Tuition includes much more than just the weekly lesson time. It also includes all performance events and competitions, all time spent researching repertoire, developing personalized lesson plans and studying the latest techniques for each student. As with University tuition, music lesson tuition is payable whether the student attends or not. We do offer several options for online Skype or video lessons in the event that you cannot make it to an "in person" lesson on a given week. There will be no tuition credits given.

Students may sign up for 30, 45, or 60-minute weekly private lessons. We also offer 45-minute weekly group piano lessons for beginning students ages 4-6.

Please Note: other expenses throughout the year may include but are not limited to: Entrance fees for festivals & competitions, music books/ additional lesson materials, and maintenance fees for your instrument.

ENROLLMENT AGREEMENT

The enrollment agreement guarantees your continued place in the studio for the day and time you have chosen and scheduled. Tuition payment covers the student's whole course of music study, payable in advance.

We sincerely hope you will be part of our music family long term! However, If you wish to discontinue lessons, we simply require a 30-day written and paid tuition notice. If you paid for the semester, you will receive a refund based on the remaining weeks.

MISSED LESSONS

Your weekly lesson time is reserved exclusively for you. We have two options for you if you can't make it to your lesson. A minimum of 48 hours notice is required. First, you can set up with your teacher to Skype or FaceTime them from wherever you will be. If that won't work, your teacher will record a video lesson for you during your regular lesson time. They will send you a link to access it at your convenience. There are no makeup lessons given for last minute cancellations or no-shows.

If you do not arrive within the first 15 minutes of your lesson time, the lesson will be considered forfeited.

Group classes and masterclasses cannot be made up.

If your instructor cancels a lesson, you will be given a make-up lesson credit to be redeemed at any time during the semester agreed upon by the student and the teacher.

In the case of an emergency, please contact your instructor as soon as possible. These instances will be handled on a case by case basis.

SUMMER TERM

Summer term runs from the first week of June through the first week of August. We offer flexibility of lesson scheduling in the summer to accommodate your schedule. A variety of classes, mini-workshops, piano camps, private lessons, and 2/lessons per week allow for a few weeks off for family vacations while still participating in summer music lessons!

Sincerely, Musical Minds Conservatory
