Dear Brothers, Sisters and Friends:

NWPA ALF is proud to offer 4 - \$500 Scholarships and are working diligently to get them perpetually funded. This will only happen with your help. Eligibility requires the Scholarship Applicants to be members, dependents, or grandchildren of members of our affiliated Local Unions in good standing.

Note: Both applicant and the union must be in good standing with their dues and per capital payments. Dependents are anyone you claim on your taxes. Continued education does not mandate it be a University or College, any accredited system of education qualifies including Trade Schools and Apprenticeship Programs.

- The NWPA ALF Scholarship is for Graduating High School continuing their education
The David A. Bielski Educational Scholarship is for Post-Secondary student continuing their education past the first year of continued education
- The Dr. David Ferster Educational Scholarship is for a Graduate Student anyone who has received a degree and is working towards another degree. It is not required to be a full-time student for this scholarship.
- The Rosann Barker Trade School Scholarship is for any high school graduate.

The NWPA ALF is asking our affiliates and friends to become sponsors of our scholarships. We hope you also recognize how important education is and feel it is our duty to help our members, their dependents and grandchildren achieve their educational goals. We have suggested recommendation of levels of sponsorship: **\$250 Gold Sponsor, \$200 Silver Sponsor and \$150 Bronze Sponsor, but any amount would be greatly appreciated.**

Due to the late notice, any organization wishing to appear on the back of the brochure (Gold, Silver or Bronze sponsor) will need to respond by February 9, 2024. Sponsorship is ongoing past the February 9th date.

We are also requesting suggestions for the question for the essay contest, please submit to director.nwpa.alf@gmail.com.

Thank you in advance for your sponsorship and suggested questions.

In Solidarity,
Amy Alcorn, Director
