Dear Upstate SC League bowler,

It is a privilege to serve the Upstate bowlers and the Upstate SC USBC as Association & Financial Manager. I, along with the entire board, are here to serve you, the bowler. If you have any questions, suggestions, or concerns, please contact one of your board members. You can find contact information for each board member in this yearbook. The current Executive Board consists of President John Adkins 1st Vice President Robyn Carr, and 2nd Vice President Cameron Adkins.

Thank you for participating in leagues in the Upstate and being members of both USBC and our local association.

This year, since the Southeastern Tournament will be in Greenville, we plan to hold a single local tournament, meant to include every bowler that would like to participate. Our tournament committee is working on the format now and it is shaping up to be exciting. Upstate directors will distribute the entry forms to each center and announcements will be made reminding you of the dates and times. These are handicap events to allow all average bowlers the opportunity to be competitive.

This yearbook contains the 2025-2026 averages that were submitted by your league secretary. I certify these averages are correct to the best of my knowledge. An error in this listing does not relieve the bowler of their responsibility to report correct averages when participating in tournaments or leagues. Averages are published online at bowl.com and any average for leagues rolled outside of our Association or corrections to the listed averages in this yearbook will be listed there.

Virginia "Gin" Carlton-McJunkin

Association Manager

Dear Upstate Bowlers,

It has been a privilege to serve as your President for the 2025–2026 bowling season! Whether you are a seasoned league bowler chasing another 300 game, a senior competitor, or a youth athlete just starting to discover the joy of our sport, I am honored to welcome you back to the lanes on behalf of the entire board of the Upstate SC USBC Bowling Association.

Looking ahead, this is a truly historic and exhilarating era for our local bowling community. As many of you know, the national United States Bowling Congress (USBC) announced that the massive USBC Open Championships will be coming to the Greenville Convention Center in 2028. This monumental event will bring over 50,000 bowlers from all over the world right to our backyard, providing a projected \$70 million economic boom and the construction of 60 temporary lanes. The eyes of the entire bowling world will be on Upstate South Carolina, and our focus today is building the local momentum, skill, and volunteer base to ensure we showcase the very best of our region's hospitality and competitive spirit.

Closer to the present, our immediate priority remains delivering exceptional local tournament experiences. Our upcoming association calendar will feature our cornerstone events—including our annual Open Championship, hosting the 36th Annual Southeast Bowling Associations handicapped tournament, and Youth events. We also remain fiercely dedicated to formatting a bright future for our sport by expanding youth league participation and administering youth scholarship opportunities to support our next generation of leaders on and off the lanes.

I look ahead to seeing many of you at our local houses this year. Let's keep pushing our averages higher, supporting our fellow competitors, and keeping the passion for bowling alive in the Upstate. Good luck, high scoring, and let's make this season one to remember!

Yours in Bowling,

John Adkins
