President's Message

Reflecting on Our Progress and Future Endeavors

Since our last newsletter, a lot has happened. We have successfully hosted the Ladies Tournament and The Upstate Open tournament at Paradise Lanes. On behalf of the Upstate Board, we want to thank you for your participation and continued support of our association.

We have one final tournament that we will be hosting, the over 50 Senior Tournament hosted by Bowlero in Greenville on February 22nd & 23rd and March 1st. The Entry deadline is February 12th and the tournament is only Doubles and Singles so grab a partner or just bowl singles.

From my perspective, I believe we are doing an excellent job in supporting our bowlers. We are continually striving to understand what our bowlers want to see from an association standpoint and are committed to meeting their expectations.

On a sad note, we lost some key bowlers in our association: Past President and HOF member Gary Reynolds, Alice Young, Billy "Doc" Watson, and Jodi Hughes HOF member. Please remember these families in your thoughts and prayers.

Thank you all for your continued support and commitment to being certified. I am confident that, together, we will continue to make great strides in the year ahead while growing our sport.
