Technical Notes

- 1) * = indicates that an estimate is not available
- 2) Data based on responses from six semiannual panels over a 3-year period. See Technical Notes for additional information.
http://www.bls.gov/oes/current/oes_tec.htm
- 3) Estimates were created using LEWIS (Local Employment Wage Information System). LEWIS uses a slightly different method regarding rounding, so there will be some minimal variation between LEWIS estimates and BLS estimates.
- 4) Annual wages were calculated by multiplying unrounded hourly wages by 2,080 (52 weeks X 40 hours/week). Annual wages include fractions of one cent, while hourly wages rounded these fractions.
- 5) Occupations where there is no hourly wage, the annual wage was calculated directly from the survey data.
- 6) Hourly wages for occupations where workers typically work fewer than 2,080 hours per year are not available.
- 7) Prepared by the Arizona Office of Economic Opportunity in cooperation with the U.S. Department of Labor, Bureau of Labor Statistics
