

Dear Guest,

Thank you for choosing to sail with Norwegian Cruise Line.

Like every other part of your cruise with us, we want you to be able to relax and have the freedom and flexibility to do nothing but look forward to a great vacation onboard one of our spectacular ships.

We know travel plans can be disrupted by the unexpected, so in order to protect your vacation investment and allow you to have a worry-free experience, we are pleased to offer **BookSafe Travel Protection** to help protect you before, during and after your trip.

It is because of the *very nature of unexpected situations* or unexpected illnesses or injuries that we strongly recommend that our guests always obtain travel protection insurance *to cover unforeseen circumstances*. As a convenience to you, BookSafe Travel Protection plans offer coverage in many situations, including the event of pre-cruise illness or injury that would result in a cancellation, medical services and emergency evacuation coverage while abroad in the event of a serious illness, coverage for lost baggage or missed flights, as well as a "cancel for any reason" waiver for some added peace of mind.

BookSafe includes coverage for:

- Trip cancellation
 - 100% cash reimbursement for covered cancellations
 - Plus "Cancel for Any Reason", which allows you the freedom to cancel your cruise vacation for any reason and receive 75% cruise credits (90% with BookSafe Platinum).
- Trip interruption
- Travel delay
- Lost, damaged or delayed baggage
- Medical expenses while abroad (as most US medical plans do not cover costs overseas)
- Emergency medical transportation in the event of a serious illness or injury
- Plus: the peace of mind of a 24-hour hotline offering worldwide emergency travel assistance

We understand that some of our valued guests are simply not aware of the benefits and importance of travel protection plans and may not know you are able to take our protection on your vacation, just as you would protect your home, car or other significant investment. Thank you for providing us this opportunity to help explain those benefits with you.

Without travel protection, your cruise will be subject to our cancellation policies in the event you have to cancel last minute due to an injury or illness. If you haven't already added BookSafe to your reservation and would like to, just call us to enroll. Please note that BookSafe will not be available after you've made final payment on your cruise vacation, so call today to add this important protection.

We look forward to welcoming you aboard your cruise!

Sincerely,
