## Quingo Pacific Customer 1st Principles

- 1 We work to, and comply to the Australia and New Zealand Competition and Consumer Laws, guidelines and practices.
- 2 We work to, and comply with all national and state based road safety regulations.
- 3 We will only supply products after our comprehensive safe use assessment and only products that genuinely suit the needs of the consumer.
- 4 We offer a variety of after sales services at no extra costs where possible.
- 5 We will assist in all matters regarding finance and/or NDIS payments where ever possible
- 6 We will provide full delivery, as well as customer training where ever possible.
- 7 We are always working to build national and international partnerships to expand our network of service engineers in efforts to provide the fastest possible repair and part replacement times.
- 8 We will continually monitor and improve our customer service experience expectations.
- 9 Customer satisfaction has always and will continue to be our No 1 priority.

## Promoting Safe, Comfortable, Confident Scooter Use

We only want you to enjoy the benefits of Quingo if you are safe and able to do so.

The Blue Diamond Driver Check is a free safety assessment that demonstrates you meet safe operating standards.

It entitles you to display the Blue Diamond badge on your scooter verifying to those around you that you are both safe and able.

## YOUR MOBILITY OPTIONS (PREVIOUSLY)

First there was three wheelers...

On the up side short and manoeuvrable but...

On the down side unstable when in inexperienced hands or on uneven terrain

Then came four wheelers to overcome these stability issues...

But that also introduced two new problems...

Bad news for those who suffer chronic conditions such as:  
Arthritic Knees  
Osteoporosis  
Stiff Joints  
Osteoarthritis  
Back Pain  
Lymphedema  
Hip Problems

With the four wheeler came two new problems...

1. Restricted leg room with poor posture  
2. Inferior turning circle and rear biased weight distribution

**So what is the answer?**  
Do you make compromises and...

- a) Only use a 3 wheel scooter on flat surfaces so there is no danger of tripping over?
- b) Use a 4 wheel scooter with restricted posture control, reduced leg room and less agility in tight spaces?
- c) Do you explore the next generation of scooter that overcomes all these issues by combining...

- ✓ AGILITY
- ✓ STABILITY/SAFETY
- ✓ COMFORT

# REVIEWS

## What do the current Quingo owners say?

Our ongoing commitment to customer satisfaction plays a large part in our continued success and is paramount throughout the life of your Quingo. Customers are surveyed 3 months into their ownership and again every time they receive a service or engineer visit. It means very happy customers.

"My Quingo is much more stable and manoeuvrable than my previous mobility scooter - it's excellent"

MR MORRIS - PRESTON

"Your representative was not pushy and no-one pestered me after my test drive. I would strongly recommend your company"

MRS CONWAY-HASKINS - BRISTOL

"Once you have tried and bought a Quingo, you would not want any other."

MRS OLIVER - LINCOLNSHIRE

"I do not have any hesitation in recommending Quingo to people who have asked about it."

MRS STERLING - GLASGOW

SURVEY-1: Those who were assessed but did not purchase:

9 OUT OF 10

was the average score, when rating their Quingo assessment and demonstration experience.

1 = Poor and 10 = Excellent

Comments include: "Your adviser was a pleasure to talk to and no pressure. I wish all advisers were as good!"

Mr Shanahan - Cardiff

Survey-1 data from 2186 surveys taken from January 2010 to October 2011

SURVEY-2: Those who were assessed and purchased:

91%

Stated that their Quingo was 'Better' or 'Much Better' than any previous mobility scooter.

Survey Comments include: "I have not had a better vehicle than a Quingo." Mr North - Leicester

Survey-2 data from 2948 surveys taken from January 2010 to August 2011

## What is Feefo and how does it work?

Our ongoing commitment to customer satisfaction plays a large part. Feefo is one of the world's most trusted supplier of independent ratings and reviews for business and consumers. All Feefo reviews are gathered anonymously and independently from genuine Quingo customers.

**Product:** "Very good engineering - the construction seems to be to a very high standard. Have had several people either watching me load and unload from the car or coming over to chat about the Flyte. It is comfortable for a big chap like me and very manoeuvrable in tight spaces."

QUINGO FLYTE REVIEW 21.8.15

**Product:** "I am amazed at the amount of freedom that it gives me thank you Quingo for all your help in helping me decide on the best scooter for my needs keep up the good work that you and your team give to your customers"

QUINGO PLUS REVIEW 1.7.15

**Service:** "Excellent, nothing more to say, the staff are great!"

**Product:** "It has made my life much easier, now I can take my little dog for a longer walk, which she enjoys. Shopping is done without the car and I meet people on route and have a chat, can't do that in a car! Very easy to drive too."

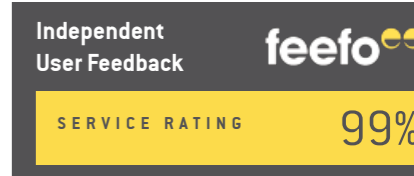

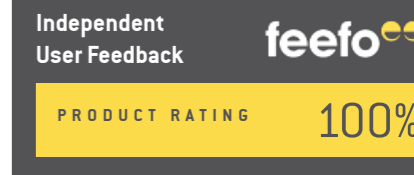

QUINGO PLUS REVIEW 1.8.15

**Service:** "Everyone I dealt with at Quingo was professional and extremely helpful. The man who delivered my scooter was particularly helpful and made sure I was happy with every aspect, even making adjustments to my requirements before he left. I was extremely impressed with him."
