# SOLAX MOBIE

## ONE STEP MANUAL FOLDING MOBILITY SCOOTER

The Mobie is the signature product of the Solax brand and what made Solax an instant success and leader in the mobility market. Although the design has been improved since it's release in 1993, the main design principles such as ease of use, safety, portability and quality are stronger than ever. An easy under-seat folding mechanism allows for easy folding and unfolding. The padded seat, adjustable tiller and flip-up removable armrests make the Mobie a truly fun and comfortable scooter.

# E-TRAVELLER 120

## FOLDING ELECTRIC WHEELCHAIR

The E-Traveller 120 is the lightest folding electric wheelchair in the E-Traveller range and weighs just 21.5kg when the batteries are removed. An easy-folding mechanism makes this wheelchair ideal for frequent transport, either in the boot of your car, on a plane or on public transport. The 120 is ideal for use in tighter confined areas as its unmatched turning circle allows it to be highly manoeuvrable in these situations.
