Center Highlights:

First Time Home Buyer Vision Board Workshop: Learn how to become pre-approved for a mortgage and how to qualify for down payment assistance followed by creating your very own vision board as a way to help manifest your desire of bying a home in 2020!

Black History Month Bingo: February is black History Month! Join us as we dive into the rich history celebrated this month through a fun and educational game!

Empowerment Circle: Come by for a night of motivation and strengthening community relationships. Keysha is back for another night of empowerment and you definitely don't want to miss it!

Family Activities:

Crafternoon: "Love Bugs:" With Valentine's Day being right around the corner, make one of these cute little critters for yourself or someone you love!

Family Cooking Night: We hope you like chocolate! Join us for a very special Valentine's Day themed Family Cooking Night, it'll be healthy and delicious!

Valentine's Day Minute to Win it: Get ready for a night of silliness and laughter as families compete to see who can win these crazy challenges in 60 seconds or less!

Classes/ Seminars:

Journaling Club: De-stress and learn about different types of journaling during this interactive workshop.

"Keeping Body in Mind:" Do you have goals to improve your health this year? Join us for another installment of our new health and wellness program!

"Get up and Grow" Family Gardening: Your new favorite workshop is back with new and exciting projects! Join us as we continue to learn how to grow healthy foods and beautiful plants!
