Aloha hoalauna,

Welcome and mahalo for contacting HPP OWNERS.

Please note that HPP OWNERS is not affiliated with Hawaiian Paradise Park Owners Association (HPPOA).

HPP OWNERS is a group of concerned HPP and other subdivision owners, whose objective is to:

- 1) ensure transparency and fairness in community association governance
- 2) address concerns about unfair practices, assessments, rule enforcement, bylaw infractions, and violations of law and court order, etc.
- 3) promote the common good and general welfare of HPP and other subdivision owners to their community associations and government agencies, on a per-request basis, as a unified and organized group

Currently, HPP OWNERS is in its early developmental stages and is actively seeking interested owners, from any and all Hawai'i subdivisions, who agree that "transparency is key" should be more than just a phrase an association board types onto their agendas. If you are an interested owner, please contact us (email, phone, and address are listed above) and HPP OWNERS will keep you up to date on our progress. In addition, if you have any concerns/suggestions for HPP OWNERS, please share them with us.
