We have some great bands lined up over the next few months just a few of which are detailed below.

May is jam packed with great live music kicking off on the 11th with a local band "Homer".

This month we welcome back AFK also known as "A Frayed Knot".

The great entertainment just keeps on coming with "Indecision" who are always a firm favourite here at the Club.

June is another busy month where we see Stoned F and Custyrd Pye here at the Club.

We also welcome the Mangled Wurzels in July for some great sing-along fun (see the article on Page 3).

Later in the year we have some returning favourites plus some new bands to introduce.

Further dates and acts dates will be announced in due course.

A few gentle reminders

The Club has a set of rules which ensures the safety, comfort and enjoyment of all our members. These rules also help in the smooth and efficient running of the Club and ensure that we meet our responsibilities with regard to the law. Detailed below are a few gentle reminders of some of our rules.

Your annual membership entitles you to discounted bar prices in the Club so please remember to bring your card with you on every visit. The staff cannot give you the discounted bar prices if you do not present your membership card.

You are all welcome and in fact you are encouraged to bring non-members along to the Club but if you do so please ensure that you have signed them in using the visitors' book which is on the bar at all times. Members are also reminded that they are responsible for their guests' behaviour on Club premises.

Our Club is family friendly and we want to ensure that it stays that way but please remember that children must be supervised at all times. It goes without saying that we want kids to have fun but not to the detriment of other members so please be mindful in this regard.

More on the family friendly subject. We respectfully remind members that this is an environment with a lot of children around so please bear that in mind in your choice of language.

Focus on Tom Hunt.

Over the next few months we will be focusing on our Committee members and first in the barrel is Tom Hunt, our long-suffering Secretary.

Tom is somewhat camera shy but we managed to find this one where I am reliably informed that he was singing.

Now everyone knows that the Welsh are born singers but having witnessed at first hand Tom's efforts at a previous karaoke session he may be misleading us concerning his heritage because he certainly does not fit the mold in the melody stakes!

Tom has been part of the Club in various roles for many a year now. He is an integral part of the Club in general and the Committee in particular.

Tom keeps the Committee meetings ticking along whilst also making copious notes and generally keeping everyone in order.

Tom is a family man through and through and he is keen to ensure that the Club continues to be a family friendly environment where people of all ages can relax and enjoy themselves.

It may come as no surprise to most of you that Tom is a passionate supporter of the Welsh Rugby team. Despite being hugely outnumbered in the Club he manages to make

his presence felt during the Six Nations Tournament.

Unfortunately, the recent Welsh win over the English will be mentioned very frequently over the next few months (and beyond) and all the English supporters amongst us can do is to just to grin and bear it.

All joking aside Tom works tirelessly for the Club and its membership and the place would not be the same without him.

- The Westbury Conservative Club was first registered in September 1921.
- Ferndale House became a Grade II listed building in December 1950.
- The earliest reference to Alfred Street is 1827. It was named after the Saxon king whose victory over the Danes at Edington in 878 was the great founding battle of England
- Ferndale House was an early 18th century clothier's house with "fine windows and workshops at the rear".

The Mangled Wurzels

**Saturday, 6th
July at 9 pm.**

Drink up thee cider!

The Mangled Wurzels are sure to provide a fun filled evening here at the Conservative Club so come along on Saturday, 6th July, raise a glass (or two) and sing along to some good old West Country classics!

The Mangled Wurzels list their interests as drinking scrumpy, hedgin & ditchin, drinking scrumpy, chasing the milkmaid, drinking scrumpy, shearing sheep, and drinking scrumpy. Now apart from the "hedging and ditchin" (because we are not sure what that is!) that all sounds pretty good!

PS The cider is optional but if you are drinking please leave your tractors at home!
