

2018 Camelid Conference

sponsored by

Tennessee Alpaca Association (TAA) and
University of Tennessee College of Veterinary Medicine, Department of Large Animal Clinical Sciences

Saturday, August 11, 2018, from 9:00 AM to 5:00 PM
UT College of Veterinary Medicine, Knoxville, TN

Make plans to join us for this informative seminar! Alpaca and llama owners and their veterinarians will learn about specific health concerns of camelids and the latest research at UT. Veterinarians will earn Continuing Education Credits (CEUs).

The Large Animal Clinical Sciences Staff are putting finishing touches on the speaker lineup, which will include topics on parasites, special case studies, pasture management, dental disease, lactation, cria care, regenerative medicine, diagnostics and much more!

Directions: Take I-40 to Knoxville. Exit on Alcoa Highway (Hwy 129) South. Take the Neyland Drive exit, and turn left at the light at the bottom of the ramp, then left onto Joe Johnson Dr, right into the Vet School parking lot. Enter at the doors facing Joe Johnson Dr. The meeting room will be A118, with registration and coffee beginning at 8:15 AM in the foyer. Lunch will be catered in the Sequoyah Room on the second floor.

The day will also include a silent-auction fundraiser for the UT llama and alpaca research program. Please bring an item to donate for the auction and/or solicit an item from a local business that might be of interest to llama and alpaca owners and veterinarians.

Registration deadline is Friday, August 3 – email hickorybluffalpacas@comcast.net with your registration info if you plan to pay at the door. We need a headcount for food and handouts. Be sure to invite your veterinarian!
