CORRIGENDUM

Ref: Tender no.: GPFT/ Acctt-Solar/2020/697

Following modifications are made on Design, Supply, Installation & Commissioning of 15 kWp Hybrid Roof-top Solar PV Power Plant at Golaghat Polytechnic, Furkating bearing tender no. GPFT/ Acctt-Solar/2020/697 Dated, Golaghat, the 10.08.2021.

With clause no 3.2.1, it is added that MSME (Micro, Small & Medium Enterprises) s are exempted for EMD and tender fee subject to furnish of necessary documents of valid registration. Regarding clause 1c and 1d , it is added that relaxation will be accepted in condition of prior turnover and prior experience with respect to Micro and Small Enterprises (MSME) subject to meeting of quality and technical specifications. However, as per terms of the Policy, if the MSME bidder wants to avail the benefits under the Public Procurement Policy, the MSME bidder must be the manufacturer of related products such as Solar Panels/Solar Power Equipment/UPS/PCU etc. Traders are strictly excluded from the purview of Public Procurement Policy for Micro and Small Enterprises.

Moreover, it is added that regarding PV module type, it can be Mono or Polycrystalline. Further regarding battery, it should be Tubular Gel type, 120nos, Rated capacity 400Ah and voltage 240 V with 5 years of warranty. It is also added that it requires one Hybrid 15KW Power Conditioning Unit with Output AC: 415 V \pm 10%/ 3Ph, 50Hz and efficiency greater than 85%. Regarding Earthing, earthing mat and lightning arrestor (Type and material), it shall be Chemical earthing with 25X3 mm GI Strip & Lighting Rod(copper). Regarding Module Mounting Structures, it shall be GI structure (hot dipped) /Aluminium with wind withstanding load of 175 km/Hr. Moreover, being off grid with hybrid inverter, net meter is not required at present. Also added that the bidding price of all item should be inclusive of all taxes as applicable.

The remaining terms and conditions of the bid documents of the Tender shall remain unchanged.

Principal,
Golaghat Polytechnic
