Dear Potential Sponsors,

We are so excited to invite you to the first International Institute for the Brain (iBRAIN), iCAN Do Anything Fashion Show on Thursday, September 8, 2022, at Gotham Hall in NYC!

iBRAIN, with locations in Manhattan's Upper East Side and Brooklyn, is proud to be an independent, not-for-profit educational organization. Through the efforts of our faculty, staff, parent body, and Board of Directors, we ensure the families, and most importantly, our students with moderate-severe brain injury and brain-based disorders have access to a highly specialized educational opportunity based on their individual needs. This includes a range of multi-disciplinary services including, Physical Therapy, Occupational Therapy, Speech and Language Therapy, Aquatic Therapy, Assistive Technology, Vision, Hearing, Social Work and Nursing Services. Every student also has 1:1 paraprofessional who supports them throughout the school day.

Today we serve students ranging from age 5 through 21 years old, welcoming more students each year as we continue to bring strong and dynamic educational opportunities to children with brain injury and brain-based disorders across the New York City metropolitan region. We strive to not only provide the best learning opportunities and creative outlets for our student population, but to also help them connect with others and lead happy and healthy lives.

We believe in a future that is accessible and inclusive, and the fashion industry is at the forefront of being able to transpire this change. We believe there is no better way to kick start New York Fashion Week than to spotlight the endless possibilities through our very own, vibrant student body.

We invite you to join us in our fight to provide a more accessible and affordable education for students with brain injury and brain-based disorders. On Thursday, September 8th 2022 we are hosting the first iBRAIN fashion show fundraiser. We are requesting your help with sponsorships and donations for the show. Monetary sponsorships and donations such as apparel, accessories and auction items would be greatly appreciated in order to bring this one-of-a-kind event to life. At the same time, we want to give fashion designers and brands the opportunity to collaborate with our students by partnering with each of them to create their dream outfits!

If you would like to collaborate with a student, please browse through our student profiles and pick a student (or two) to partner with! Many of our students love fashion, and they would be delighted to know that talented fashion designers like you would like to work with them and have them as a muse. You can also sponsor a student and promote your brand in a unique way! Help a student by sending them an outfit you've designed with them in mind.

Alternatively, if you prefer just to support the designers involved and sponsor this event, we have many opportunities outlined for you that will highlight your brand and your generous support.

The fashion show will be an exciting event for all! iBRAIN students will walk the runway with their fashion guides, wearing their uniquely designed clothing. The event will also feature a cocktail hour and a silent auction..

Our students would be honored to have you as their sponsor, and it would mean so much if you are able to join us by sharing your creations and support this coming September 8th. Please take some time to browse through our various sponsorship packages and feel free to reach out with any questions or concerns.

Thank you for your consideration!

Sincerely,
iBRAIN

iBRAIN Overview

iBRAIN is proud to be an independent, not-for-profit educational organization. Through the efforts of our faculty, staff, parent body, and Board of Directors, we ensure the families, and most importantly, our students with brain injury and brain-based disorders have access to a highly specialized educational opportunity based on the individual needs of each student. Thank you for taking a moment to get to know our community!

Mission

The mission of iBRAIN is to research, develop and implement special education and related services for students with brain injury and brain-based disorders.

Family Focused

Brain injury does not just impact the student but the entire family, and iBrain's programs are designed to support the entire family.

Philosophy

Things work out best for those who make the best out of the way things work out!

Our Services

Specialized Education
Aquatic Therapy
Assistive Technology
Conductive Education
Health and Nursing
Hearing Education
Occupational Therapy
Physical Therapy
Research Department
Social Work Services
Speech Language Therapy
Vision Education
Music Therapy

Community Impact

Today we serve students ranging from 5 years old through 21 years old. We are growing, and welcoming more students each year as we continue to bring strong and vibrant educational opportunities to children with brain injury and brain-based disorders across the New York City metropolitan region. Each of our students receive over \$200,000 worth of services per year, and more than 20% of our students come from ESL families. Below are a few other ways iBRAIN continues to make a difference in the TBI community.

THERAPY

30 minutes per session

 4 hours per week

 168 hours a year

60 minutes per session

 15 hours per week

 630 hours a year

SERVICES

NYC Warehouse Students with TBI

 168 hours/year of OT/PT/Speech

 12:1:4 classroom ratio

 Anxious families facing bureaucracy

 Push problems and costs into the future

 Lack of intensity achieves little results

iBRAIN has a goal to get students walking, talking and developing

 630 hours/year of services

 6:1:6 classroom ratio

 iBRAIN advocates for students who cannot speak for themselves

 Students develop self sufficiency, reduced hospitalizations, increased attendance

 Studies have shown that repetition and neuroplasticity of the brains yield immeasurable results

Sponsor and Donor Packages

We at iBRAIN are excited to announce our upcoming fashion show, scheduled for September 8, 2022. This one-of-a-kind event will showcase brands who are committed to innovating accessible fashion, as well as the runway talents of our students. We will be celebrating their achievements while raising funding and awareness for our organization!

As you may know, iBRAIN is a non-for-profit organization that works with children and adults who have been diagnosed with brain Injury and brain-based disorders. We offer a variety of programs that help them live fulfilling lives, but we need your support to reach even more people!

We'd like to invite you to partner with us for this event by sponsoring our students through one or more of the packages below. Please note that all sponsorships and donations are tax-deductible.

Title/Partner Sponsor: \$50,000

The Partner Sponsor is an exclusive opportunity for one sponsor. As the Partnering sponsor, you will have the exclusive honor of being a part of the headlining title for the show, offering you prominent visibility and premium positive branding as a championing partner of students with TBIs.

Benefits include:

- Headlining the show with the title: [Your Company] Presents: iBrain Fashion Show 2022
- 30+ tickets to the show, with 15 front row seating
- Invitation to exclusive VIP cocktail reception
- Company name and logo displayed on screens and around the venue
- Opportunity to submit one video clip that will be played during the live event, video should be no longer than two minutes
- Opportunity for a 3 minute presentation on stage
- Opportunity to set up the largest promotional booth within the space to be opened during cocktail hour
- Opportunity to distribute company items to be included in gift bags
- Logo featured on gift bags
- Prominent logo positioning on step and repeat
- Press release announcing partnership
- Gift bag packages for sponsor and guests
- Sponsor recognition on all online/print advertisements and communication materials
- A chance to meet untapped target markets, interact with their families and caregivers for market research
- Tour of iBRAIN facility for a group of up to 5 people

Platinum Sponsor: \$30,000

- 25 tickets to the fashion show: 5 reserved front row seats, 20 reserved second row seats
- Invitation to exclusive VIP cocktail reception
- Opportunity to set up promotional booth within the space to be opened during cocktail hour
- Opportunity to distribute company items to be included in gift bags
- One page ad on the show guide
- Secondary logo positioning on step and repeat
- Gift bag package for sponsor and guests
- Full page ad on all published communication materials
- Sponsor recognition on all online/print advertisements and communication materials
- A chance to meet untapped target markets, interact with their families and caregivers
- Tour of iBRAIN facility for a group of up to 5 people

Gold Sponsor:

\$20,000

- 20 tickets to the fashion show, 5 reserved front row seats/15 reserved second row seats
- Invitation to exclusive VIP cocktail reception
- Opportunity to set up promotional booth within the space to be opened during cocktail hour
- Opportunity to distribute company items to be included in gift bags
- ½ page ad on the show guide
- Tertiary logo positioning on step and repeat
- Gift bag package for sponsor and guests
- Sponsor recognition on all online/print advertisements and communication materials
- A chance to meet untapped target markets, interact with their families and caregivers for market research

Silver Sponsor:

\$10,000

- 15 tickets to the fashion show, 5 reserved second row seats
- Logo positioning on step and repeat
- Gift bag package for sponsor and guests
- Sponsor recognition on all online/print advertisements and communication materials
- A chance to meet untapped target markets, interact with their families and caregivers for market research

Bronze Donor:

\$5,000

- 12 tickets to the fashion show
- Logo positioning on step and repeat
- Gift bag package for sponsor and guests
- Sponsor recognition on all online/print advertisements and communication materials
- A chance to meet untapped target markets, interact with their families and caregivers for market research

Single Ticket Donor:

\$500

- 1 ticket to the fashion show
- Gift bag package for sponsor
- A chance to meet untapped target markets, interact with their families and caregivers for market research

Atelier Collaboration

Donor:

Are you a fashion designer or clothing brand? We'd like to offer you the chance to collaborate with our students for this event. The CDC estimates that 26 percent (one in four) adults in the US live with some type of disability, and the Atelier sponsorship is an exciting opportunity to learn more about the design needs of a largely marginalized target market, straight from our students who also have a lot of creative ideas! You can get involved at every level: from donating or loaning past collections to designing custom outfits with your chosen student's preferences and needs in mind. You will also have the opportunity to produce a coordinating outfit for the students' wonderful fashion guides who will be assisting your chosen student as they strut down the catwalk.

C

Benefits include:

- Opportunity to engage with and learn about the design needs of young people living with disabilities
- Opportunity to innovate and trailblaze in the area of accessible design
- Verbal recognition and video documentation of brand's design process during the event
- Collaborative donor recognition on all online/print advertisements and communication materials
- 5 tickets to the fashion show: 3 reserved front row seats, 2 reserved second row seats
- Tour of iBRAIN facility for a group of up to 5 people

Model Collaboration

Donor:

We would love to work with modeling agencies! Now more than ever, brands and consumers are searching for dynamic, authentic, and diverse representation. Take eighteen year old Ellie Goldstein for example. Ellie is a model with Down Syndrome, and she was recently cast as the face of Gucci's color cosmetics campaign. Upon Gucci uploading the campaign images on Instagram, Ellie's photo instantly became the brand's most liked and interacted post of all time. We would love to do the same for our students by spotlighting their modeling skills, alongside some of your talents!

If you are interested in donating the time of some of your models by having them participate as fashion guides to our students on the catwalk, please join us. The models, and therefore your agency, will gain prime positive media visibility as you partner with us at iBRAIN in bringing awareness to a growing sector in the fashion industry.

Benefits include:

- Opportunity to network with participating brands and scout new, diverse talent within our student body
- Opportunity to innovate and trailblaze in the modeling industry
- Verbal recognition and video documentation of the agency during the event
- Collaborative donor recognition on all online/print advertisements and communication materials
- 5 tickets to the fashion show: 3 reserved front row seats, 2 reserved second row seats
- Tour of iBRAIN facility for a group of up to 5 people

Auction Item Donor:

- Yes, I would like to donate auction items.
Note: All donations are welcomed! If the item donated is less than \$100 in value, the item may be combined with other items to create a memorable auction package.

Gift Bag Donor:

- Yes, I would like to donate a gift bag item.
Note: All donations are welcomed! Please prepare at least 250 pieces of the item for iBRAIN before August 2022 to ensure recognition for your donations.

In-kind Donations:

- Accessories
- Shoes
- Hair/Make-up Services
- Cosmetics
- Food
- Cocktail Hour Beverages
- Media partnerships
- Advertisement Services
- Photography
- Videography

Thank you for your interest in becoming a sponsor for the upcoming iBRAIN iCAN Do Anything Fashion Show. With your generous support, we will continue our mission to enrich the lives of young people affected with brain injury and brain-based disorders.

To lock in your package, please refer to page 6 of the booklet.

For inquiries relating to the sponsorship package or the fashion show, please contact Lucy Walters at: lucy@ibrainnyc.org

For inquiries relating to iBRAIN and its students, please contact Suzanne Wallach at: swallach@ibrainnyc.org

*Thank
You!*

We look forward to working with you.
