ANNUAL WINTER GIFT DRIVE

Overview

- The inspiration for this initiative came on **3rd December 2018**, when one of our volunteers saw **a young child sleeping on the road in Quetta** during the harsh winter. The sight of the child shivering in the cold deeply moved our team and reinforced the urgent need for winter relief efforts.
- Same year **Health Division** of Foundation was raised and 1st Annual Winter Gift Drive launched providing winter essentials to more than **100 individuals**.
- Since its modest beginnings in 2018, we have expanded our volunteers network to provide winter clothing in **Doulat Pur, Kamra, Rawalpindi, Lahore, Multan, Murree and Jaffar Abad (Baluchistan)**.
- Each year more than **200 families** are provided warm **shawls, hoodies, socks, gloves** and **warm caps**.
- The success of this drive relies on the active involvement of volunteers who help identify those in need and facilitate the distribution process
- Supported by generous donations from our donors, this initiative operates on a **budget of PKR 800,000**. This allows us to provide winter clothing at an average cost of **PKR 3000 per beneficiary**

LIFE NEEDS MORE FLAVOR: THE STORY OF KID WHO INSPIRED THIS DRIVE

Founded in 2016 by Muhammad Bashir Asi, a passionate advocate for Education in underserved communities. Over the years, Foundation has expanded in **Health Care, Food Security** and **Disaster Management Programs**.
