- a. Owned by the **unit** owners of the **condominium association** in common, meaning property in which **unit** owner has an undivided ownership interest; or
- b. Owned solely by the condominium **association** and used exclusively in the conduct of the business affairs of the **condominium association**.

Underwriters also insure such personal property for 45 days while stored at a temporary location, as set forth in **III.C.2.b**, Property Removed to Safety.

2. Coverage for personal property includes the following property, subject to paragraph **B.1** above, which is covered under Coverage **B** only:

- b. If you or a member of your household perform the removal work, the value of your work will be based on the Federal minimum wage.
- c. This coverage does not increase the Coverage **A** or Coverage **B** limit of liability.

2. Loss Avoidance Measures

a. Sandbags, Supplies and Labour

- (1) Underwriters will pay up to \$1,000 for the costs you incur to protect the insured **building** from a flood or imminent danger of **flood**, for the following:

(a) Your reasonable expenses to buy:

- (i) Sandbags, including sand to fill them;
- (ii) Fill temporary levees;
- (iii) Pumps; and
- (iv) Plastic sheeting and lumber used in connection with these items, and

(b) The value of work, at the Federal minimum wage, that you perform.

- (2) This coverage for Sandbags, Supplies and Labour applies only if damage to insured property by or from **flood** is imminent and the threat of **flood** damage is apparent enough to lead a person of common prudence to anticipate **flood** damage. One of the following must also occur:

- (a) A general and temporary condition of flooding in the area near the **described location** must occur even if the **flood** does not reach the insured **building**, or
- (b) A legally authorised official must issue an evacuation order or other civil order for the community in which the insured **building** is located calling for measures to preserve life and property from the peril of **flood**.

This coverage does not increase the Coverage **A** or Coverage **B** limit of liability.

b. Property Removed to Safety

- (1) Underwriters will pay up to \$1,000 for the reasonable expenses you incur to move insured property to a place other than the **described location** that contains the property in order to protect it from **flood** or the imminent danger of **flood**.

- (2) If you move insured property to a location other than the **described location** that contains the **property**, in order to protect it from **flood** or the imminent danger of **flood**, underwriters will cover such property while at that location for a period of 45 consecutive days from date you begin to move it there. The personal property that is moved must be placed in a fully enclosed **building** or otherwise reasonably protected from the elements.

Any property removed, including a moveable home described in Definition **6. Building**, paragraphs **b** and **c**, must be placed above ground level or outside of the **special flood hazard area**.

This coverage does not increase the Coverage **A** or Coverage **B** limit of liability.

D. COVERAGE D- INCREASED COST OF COMPLIANCE

1. General

This **policy** pays you to comply with a State or local floodplain management law or ordinance affecting repair or reconstruction of a structure suffering **flood** damage. Compliance activities eligible for payment are: elevation, flood-proofing, relocation, or demolition (or any combination of these activities) of your structure. Eligible flood-proofing activities are limited to:

- a. Non-residential structures
- b. Residential structures with **basements** that satisfy FEMA's standards published in the Code of Federal Regulations [44 CFR 60.6 (b) or (C)].

2. Limit of Liability

Underwriters will pay you up to \$30,000 under this Coverage **D- Increased Cost of Compliance**, which only applies to **policies** with **building** coverage (Coverage **A**). Our payment of claims under Coverage **D** is in addition to the amount of coverage which you selected on the **application** and which appears on the **Declarations Page**. But the maximum you can collect under this **policy** for both Coverage **A- Building Property** and Coverage **D- Increased Cost of Compliance** cannot exceed the maximum permitted under the **Act**. Underwriters do not charge a separate deductible for a claim under the coverage **D**.

3. Eligibility

- a. A structure covered under Coverage **A- Building Property** sustaining a loss caused by a **flood** as defined by this **policy** must:

(1) Be a 'repetitive loss structure'. A repetitive loss structure is one that meets the following conditions:

- (a) The structure is covered by a contract of flood issued under the **PFIP**.
- (b) The structure has suffered **flood** damage on two occasions during a 10-year period which ends on the date of the second loss.
- (c) The cost to repair the **flood** damage, on average, equaled or exceeded 25 percent of the market value of the structure at the time of each **flood** loss.
- (d) In addition to the current claim, the **NFIP** and/or **PFIP** must have paid the previous qualifying claim, and the State or community must have a cumulative, substantial damage provision or repetitive loss provision in its floodplain management law or ordinance being enforced against the structure; or

(2) Be a structure that has had **flood** damage in which the cost to repair equals or exceeds 50 percent of the market value of the structure at the time of the **flood**. The State or community must have a substantial damage provision in its floodplain management law or ordinance being enforced against the structure.

- b. This Coverage **D** pays you to comply with State or local floodplain management laws or ordinances that meet the minimum standards of the **National Flood Insurance Program** found in the Code of Federal Regulations at 44 CFR 60.3.

We pay for compliance activities that exceed those standards under these conditions:

(1) **3.a.(1)** above

(2) **Elevation** or floodproofing in any risk zone to preliminary or advisory **base flood** elevations provided by FEMA which the State or local government has adopted and is enforcing the **flood**-damage structures in such areas. (This includes compliance activities in B,C,X or D zones which are being changed to zones with **base flood** elevations. This also includes compliance activities in zones where **base flood** elevations are being increased, and a **flood**-damaged structure must comply with the higher advisory **base flood** elevation). Increased Cost of Compliance coverage does not apply to situations in B, C, X or D zones where the community has derived its own elevations and is enforcing elevation or floodproofing requirements for **flood**-damaged structures to elevations derived solely by the community.

(3) **Elevation** or flood-proofing above the **base flood** elevation to meet State or local 'freeboard' requirements i.e., that a structure must be elevated above the **base flood** elevation.

- c. Under the minimum **NFIP** criteria at 44 CFR 60.3 (b)(4), States and communities must require the elevation or floodproofing of structures in unnumbered A zones to the **base flood** elevation where elevation data is obtained from a Federal, State or other source. Such compliance activities are also eligible for Coverage **D**.
- d. This coverage will also pay for the incremental cost, after demolition or relocation, of elevating or floodproofing a structure during its rebuilding at the same or another site to meet State or local floodplain management laws or ordinances, subject to Exclusion **D.5.g.** below.
- e. This coverage will also pay to bring a **flood**-damaged structure into compliance with State or local floodplain management laws or ordinances even if the structure had received a variance before the present loss from the applicable floodplain management requirements.

4. Conditions

- a. When a structure covered under Coverage A- Building Property sustains a loss caused by a **flood**, our payment for the loss under this Coverage D will be for the increased cost to elevate, floodproof, relocate, or demolish (or any combination of these activities) caused by the enforcement of current State or local floodplain management ordinances or laws. Our payment for eligible demolition activities will be for the cost to demolish and clear the site of the **building** debris or a portion thereof caused by the enforcement of current State or local floodplain

management ordinances or laws. Eligible activities for the cost of clearing the site will include those necessary to discontinue utility service to the site and ensure proper abandonment of on-site utilities.

- b. When the **building** is repaired or rebuilt, it must be intended for the same occupancy as the present building unless otherwise required by current floodplain management ordinances or laws.

5. Exclusions

Under this Coverage **D**- Increased Cost of Compliance underwriters will not pay for:

- a. The cost to comply with any other floodplain management law or ordinance in communities participating in the **Emergency Program**.
- b. The cost associated with enforcement of any ordinance or law that requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralise, or in any way respond to, or assess the effects of **pollutants**.
- c. The loss in value to any insured **building** or other structure due to the requirements of any ordinance or law.
- d. The loss in residual value of the undamaged portion of a **building** demolished as a consequence of enforcement of any State or local floodplain management law or ordinance.
- e. Any increased cost of Compliance under this Coverage **D**:
 - (1) Until the **building** is elevated, floodproofed, demolished, or relocated on the same or to another premises; and
 - (2) Unless the **building** is elevated, floodproofed, demolished, or relocated as soon as reasonably possible after the loss, not to exceed 2 years.
- f. Any code upgrade requirements, e.g. plumbing or electrical wiring, not specifically related to the State or local floodplain management laws or ordinances.
- g. Any compliance activities needed to bring additions or **improvements** made after the loss occurred into compliance with State or local floodplain management laws or ordinances.
- h. Loss due to any ordinance or law that you were required to comply with before the current loss.
- i. Any rebuilding activity to standards that do not meet the **NFIP's** minimum requirements. This includes any situation where the insured has received from the State or community a variance in connection with the current **flood** loss to rebuild the property to an elevation below the **base flood** elevation.
- j. Increased Cost of Compliance for a garage or carport.

- k. Any structure insured under an **NFIP** Group Flood Insurance Policy.
- l. Assessments made by a **condominium association** on individual **condominium unit** owners to pay increased costs of repairing commonly owned **buildings** after a **flood** in compliance with State or local floodplain management ordinances or laws.

6. Other Provisions

- a. Increased Cost of Compliance coverage will not be included in the calculation to determine whether coverage meets the coinsurance requirement for replacement cost coverage under VIII. General Conditions, V. Loss Settlement.
- b. All other conditions and provisions of the **policy** apply.

IV. PROPERTY NOT COVERED

Underwriters do not cover any of the following property:

1. Personal property not inside the fully enclosed **building**;
2. A **building**, and personal property in it, located entirely in, on, or over water or seaward of mean high tide, if constructed or substantially improved after September 30, 1982;
3. Open structures, including a **building** used as a boathouse or any structure or **building** into which boats are floated, and personal property located in, on, or over water;
4. Recreational vehicles other than travel trailers described in **II.B.6.c** whether affixed to a permanent foundation or on wheels;
5. Self-propelled vehicles or machines, including their parts and equipment. However, we do cover self-propelled vehicles or machines not licensed for use on public roads that are:
 - a. Used mainly to service the **described location**, or
 - b. Designed and used to assist handicapped persons,

While the vehicles or machines are inside a **building** at the **described location**;

6. Land, land values, lawns, trees, shrubs, plants, growing crops or animals.
7. Accounts, bills, coins, currency, deeds, evidences of debt, medals, money, scrip, stored value cards, postage stamps, securities, bullion, manuscripts or other valuable papers;

8. Underground structures and equipment, including wells, septic tanks, and septic systems;
9. Those portions of walks, walkways, decks, driveways, patios, and other surfaces, all whether protected by a roof, or not, located outside the perimeter, exterior walls of the insured **building**;
10. Containers including related equipment, such as, but not limited to, tanks containing gases or liquids;
11. **Buildings** and all their contents if more than 49 percent of the **actual cash value** of the **building** is below ground, unless the lowest level is at or above the **base flood** elevation and is below ground by reason of earth having been used as insulation material in conjunction with energy efficient building techniques;
12. **Fences**, retaining walls, seawalls, bulkheads, wharves, piers, bridges and docks;
13. Aircraft or watercraft or their furnishings and equipment;
14. Hot tubs and spas that are not bathroom fixtures, and swimming pools and their equipment such as, but not limited to, heaters, filters, pumps, and pipes, wherever located;
15. Property not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act and the Coastal Barrier Improvement Act of 1990 and amendments to these acts;
16. Personal property used in connection with any incidental commercial occupancy or use of the **building**.

V. EXCLUSIONS

- A. Underwriters only pay for **direct physical loss by or from flood**, which means that Underwriters do not pay you for:
 1. Loss of revenue or profits;
 2. Loss of access to the insured property or **described location**;
 3. Loss of use of the insured property or **described location**;
 4. Loss from interruption of business or production;
 5. Any additional living expenses incurred while the insured **building** is being repaired or is unable to be occupied for any reason;

6. The cost of complying with any ordinance or law requiring or regulating the construction, demolition, remodeling, renovation, or repair of property, including removal of any resulting debris. This exclusion does not apply to any eligible activities that we describe in Coverage **D**- Increased Cost of Compliance; or

7. Any other economic loss.

B. Underwriters do not insure a loss directly or indirectly caused by a **flood** that is already in progress at the time and date:

1. The **policy** term begins; or

2. Coverage is added at your request

C. Underwriters do not insure for loss to property caused directly by earth movement even if the earth movement is caused by **flood**. Some examples of earth movement that Underwriters do not cover are:

1. Earthquake;

2. Landslide;

3. Land subsidence;

4. Sinkholes;

5. Destabilization or movement of land that results from accumulation of water in subsurface land areas; or

6. Gradual erosion.

Underwriters do, however, pay for losses from **mudflow** and land subsidence as a result of erosion that are specifically covered under our definition of **flood** (see **II.A.1.c** and **II.A.2.**)

D. Underwriters do not insure for direct physical loss caused directly or indirectly by:

1. The pressure or weight of ice;

2. Freezing or thawing;

3. Rain, snow, sleet, hail or water spray;

4. Water, moisture, mildew, or mold damage that results primarily from any condition:

a. Substantially confined to the insured **building**; or

b. That is within your control including, but not limited to:

(1) Design, structural, or mechanical defects

(2) Failure, stoppage, or breakage of water or sewer lines, drains, pumps, fixtures, or equipment; or

(3) Failure to inspect and maintain the property after a **flood** recedes;

5. Water or waterborne material that:

- a. Backs up through sewers or drains;
- b. Discharges or overflows from a sump, sump pump, or related equipment; or
- c. Seeps or leaks on or through insured property;

unless there is a **flood** in the area and the **flood** is the proximate cause of the sewer or drain backup, sump pump discharge or overflow, or the seepage of water;

6. The pressure or weight of water unless there is a flood in the area and the flood is the proximate cause of the damage from the pressure or weight of water;

7. Power, heating, or cooling failure unless the failure results from **direct physical loss by or from flood** to power, heating or cooling equipment situated on the **described location**;

8. Theft, fire, explosion, wind or windstorm;

9. Anything you or your agents do or conspire to do to cause loss by **flood** deliberately; or

10. Alteration of the insured property that significantly increases the risk of flooding.

E. Underwriters do not insure for loss to any **building** or personal property located on land leased from the Federal Government, arising from or incident to the flooding of the land by the Federal Government, where the lease expressly holds the Federal Government harmless under flood insurance issued under any Federal Government program.

F. Underwriters do not pay for the testing for or monitoring of **pollutants** unless required by law or ordinance.

VI. DEDUCTIBLES

A. When a loss is covered under this **policy**, Underwriters will pay only that part of the loss that exceeds the applicable deductible amount, subject to the limit of insurance that applies. The deductible amount is shown on the **Declarations Page**. However, when a **building** under construction, alteration or repair does not have at least two rigid exterior walls and a fully secured roof at the time of loss, your deductible amount will be two times the deductible that would otherwise apply to a completed **building**.

B. In each loss from **flood**, separate deductibles apply to the **building** and personal property insured by this **policy**.

C. No deductible applies to:

1. **III.C.2.** Loss Avoidance Measures; or
2. **III.D.** Increased Cost of Compliance

VII. COINSURANCE

~~**A.** This Coinsurance section applies only to coverage on the **building**.~~

~~B. Underwriters will impose a penalty on loss payment unless the amount of insurance applicable to the damaged **building** amount is:~~

- ~~1. At least 80 percent of its replacement cost; or~~
- ~~2. The maximum amount of insurance available for that **building** under the **NFIP**,~~

~~whichever is less.~~

~~C. If the actual amount of insurance on the **building** is less than the required amount in accordance with the terms of **VII.B**, above, then loss payment is determined as follows (subject to all other relevant conditions in this **policy**, including those pertaining to valuation, adjustment, settlement, and payment of loss.)~~

- ~~1. Divide the actual amount of insurance carried on the **building** by the required amount of insurance.~~
- ~~2. Multiply the amount of loss, before application of the deductible, by the figure determined in **C.1** above.~~
- ~~3. Subtract the deductible from the figure determined in **C.2** above.~~

~~Underwriters will pay the amount determined in **C.3** above, or the amount of insurance carried, whichever is less. The amount of insurance carried, if in excess of the applicable maximum amount of insurance available under the **NFIP**, is reduced accordingly.~~

~~Examples~~

~~Example #1 (Inadequate Insurance)~~

| | | |
|---|-----------|-------|
| Replacement value of the building | \$250,000 | _____ |
| Required amount of insurance (80% of replacement value of \$250,000) | \$200,000 | _____ |
| Actual amount of insurance carried | \$180,000 | |
| Amount of the loss | \$150,000 | |
| Deductible | \$ 500 | |

~~Step 1: $180,000 \div 200,000 = .90$
(90% of what should be carried)~~

~~Step 2: $150,000 \times .90 = 135,000$~~

~~Step 3: $135,000 - 500 = 134,500$~~

~~Underwriters will pay no more than \$134,500. The remaining \$15,500 is not covered due to the coinsurance penalty (\$15,000) and application of the deductible (\$500).~~

Example #2 (Adequate Insurance)

| | |
|---|-----------------|
| Replacement value of the building | \$500,000 |
| Required amount of insurance of replacement value of \$500,000 | (80% \$400,000) |
| Actual amount of insurance carried | \$400,000 |
| Amount of loss | \$200,000 |
| Deductible | \$500 |

~~In this example there is no coinsurance penalty, because the actual amount of insurance carried meets the required amount. Underwriters will pay no more than \$199,500 (\$200,000 amount of loss minus the \$500 deductible.)~~

D. In calculating the full replacement cost of a building:

- ~~1. The replacement cost value of any covered building property will be included;~~
- ~~2. The replacement cost value of any building property not covered under this policy will not be included; and~~
- ~~3. Only the replacement cost value of improvements installed by the condominium association will be included.~~

VIII. GENERAL CONDITIONS

A. Pairs and Sets

In case of loss to an article that is part of a pair or set, Underwriters will have the option of paying you:

1. An amount equal to the cost of replacing the lost, damaged, or destroyed article, less depreciation; or
2. An amount that represents the fair proportion of the total value of the pair or set that the lost, damaged, or destroyed article bears to the pair or set.

B. Concealment or Fraud and Policy Voidance

1. With respect to all insureds under this policy, this policy:

- a. Is void;
- b. Has no legal force or effect;
- c. Cannot be renewed; and
- d. Cannot be replaced by a new **PFIP** policy ;

If, before or after a loss, you or any other insured or your agent have at any time:

- (1) Intentionally concealed or misrepresented any material fact or circumstance;
- (2) Engaged in fraudulent conduct; or
- (3) Made false statements;

relating to this **policy** or any other **PFIP** insurance.

- 2. This **policy** will be void as of the date the wrongful acts described in **B.1** above were committed.
- 3. Fines, civil penalties, and imprisonment under applicable Federal laws may also apply to the acts of fraud or concealment described above.
- 4. This **policy** is also void for reasons other than fraud, misrepresentation, or wrongful act. This **policy** is void from its inception and has no legal force under the following conditions:
 - a. If the property is located in a community that was not participating in the **NFIP** on the **policy's** inception date and did not join or re-enter the program during the **policy** term and before the loss occurred ; or
 - b. If the property listed on the **application** is otherwise not eligible for coverage under the **NFIP**.

C. Other Insurance

- 1. If a loss covered by this **policy** is also covered by other insurance that includes **flood** coverage not issued under the **Act**, Underwriters will not pay more than the amount of insurance that you are entitled to for lost, damaged, or destroyed property insured under this **policy** subject to the following:
 - a. Underwriters will pay only the proportion of the loss that the amount of insurance that applies under this **policy** bears to the total amount of insurance covering the loss, unless **C.1.b** or **c.** immediately below applies.

- b. If the other policy has a provision stating it is excess insurance, the **policy** will be primary.
 - c. This **policy** will be primary (but subject to its own deductible) up to the deductible in the other **flood** policy (except another policy as described in **C.1.b** above). When the other deductible amount is reached, this **policy** will participate in the same proportion that the amount of insurance under this **policy** bears to the total amount of both policies, for the remainder of the loss.
2. If there is a flood insurance policy in the name of a **unit** owner that covers the same loss as this **policy**, then this policy will be primary.

D. Amendments, Waivers, Assignment

This **policy** cannot be changed nor can any of its provisions be waived without the express written consent of the Underwriters. No action that Underwriters take under the terms of this **policy** constitutes a waiver of any of our rights. You may assign this **policy** in writing when you transfer the title of your property to someone else, except under these conditions:

1. When this **policy** covers only personal property; or
2. When this **policy** covers a structure during the course of construction

E. Cancellation of Policy by You

1. You may cancel this **policy** in accordance with the applicable rules and regulations of the **NFIP**.
2. If you cancel this **policy**, you may be entitled to a full or partial refund on premium also under the applicable rules and regulations of the **NFIP**.

F. Non-renewal of the Policy by Us

Your **policy** will not be renewed:

1. If the community where your covered property is located stops participating in the **NFIP**; or
2. If your **building** has been declared ineligible under Section 1316 of the **Act**.

G. Reduction and Reformation of Coverage

1. If the premium we received from you was not enough to buy the kind and amount of coverage you requested, Underwriters will provide only the amount of coverage that can be purchased for the premium payment we received,
2. The **policy** can be reformed to increase the amount of coverage resulting from the reduction described in **G.1.** above to the amount you requested as follows:

a. Discovery of insufficient premium or incomplete rating information before a loss.

- (1) If Underwriters discover before you have a **flood** loss that your premium payment was not enough to buy the requested amount of coverage, Underwriters will send you and any mortgagee or trustee known to us a bill for the required additional premium for the current **policy** term (or that portion of the current **policy** term following any endorsement changing the amount of coverage). If you or the mortgagee or trustee pay the additional premium within 30 days from the date of our bill, Underwriters will reform the **policy** to increase the amount of coverage to the originally requested amount effective to the beginning of the current **policy** term (or subsequent date of any endorsement changing the amount of coverage).
- (2) If Underwriters determine before you have a **flood** loss that the rating information Underwriters have is incomplete and prevents us from calculating the additional premium, we will ask you to send us the required information. You must submit the information within 60 days of our request. Once Underwriters determine the amount of additional premium for the current **policy** term, Underwriters will follow the procedure in **G.2.a.(1)** above.
- (3) If Underwriters do not receive the additional premium (or additional information) by the date it is due, the amount of coverage can only be increased by endorsement subject to any appropriate waiting period.

b. Discovery of insufficient premium or incomplete rating information after a loss.

- (1) If Underwriters discover after you have a **flood** loss that your premium payment was not enough to buy the requested amount of coverage, Underwriters will send you and any mortgagee or trustee known to us a bill for the required additional premium for the current and the prior **policy** terms. If you or the mortgagee or trustee pay the additional premium within 30 days from the date of our bill, we will reform the **policy** to increase the amount of coverage to the originally requested amount effective to the beginning of the prior **policy** term.
 - (2) If Underwriters discover after you have a **flood** loss that the rating information Underwriters have is incomplete and prevents us from calculating the additional premium, Underwriters will ask you to send the required information. You must submit the information before your claim can be paid. Once we determine the amount of additional premium for the current and prior policy terms, Underwriters will follow the procedure in **G.2.b.(1)** above.
 - (3) If Underwriters do not receive the additional premium by the date it is due, your flood insurance claim will be settled based on the reduced amount of coverage. The amount of coverage can only be increased by endorsement subject to any appropriate waiting period.
3. However, if Underwriters find that you or your agent intentionally did not tell Underwriters, or falsified any important fact or circumstance or did anything fraudulent relating to this insurance, the provisions of Condition **B. Concealment or Fraud and Policy Voidance** apply.

H. Policy Renewal

1. This **policy** will expire at 12.01 a.m on the last day of the **policy** term.
2. Underwriters must receive the payment of the appropriate renewal premium within 30 days of the expiration date.
3. If Underwriters find, however, that Underwriters did not place your renewal notice into the U.S. Postal Service, or if Underwriters did mail it, Underwriters made a mistake, e.g. Underwriters used an incorrect, incomplete, or illegible address, which delayed its delivery to you before the due date for the renewal premium, then Underwriters will follow these procedures:
 - a. If you or your agent notified Underwriters, no later than 1 year after the date on which the payment of the renewal premium was due, of non-reciept of a renewal notice before the due date for the renewal premium, and Underwriters determine that the circumstances in the preceding paragraph apply, Underwriters will mail a second bill providing a revised due date, which will be 30 days after the date on which the bill is mailed.
 - b. If Underwriters do not receive the premium requested in the second bill by the revised due date, then Underwriters will not renew the **policy**. In that case, the **policy** will remain an expired **policy** as of the expiration date shown on the **Declarations Page**.
4. In connection with the renewal of this **policy**, Underwriters may ask you during the **policy** term to recertify, on a Recertification Questionnaire that Underwriters will provide you, the rating information used to rate your most recent **application** for or renewal of insurance.

I. Conditions Suspending or Restricting Insurance

Underwriters are not liable for loss that occurs while there is a hazard that is increased by any means within your control or knowledge.

J. Requirements in Case of Loss

In case of a **flood** loss to insured property, you must:

1. Give prompt written notice to us;
2. As soon as reasonably possible, separate the damaged and undamaged property, putting it in the best possible order so that we may examine it;
3. Prepare an inventory of damaged personal property showing the quantity, description, **actual cash value** and amount of loss. Attach all bills, reciepts, and related documents;
4. Within 60 days after the loss, send Underwriters a proof of loss, which is your statement of the amount you are claiming under the **policy** signed and sworn to by you, and which furnishes us with the following information:

- a. The date and time of loss;
 - b. A brief explanation of how the loss happened;
 - c. Your interest (for example, "owner") and the interest, if any, of others in the damaged property;
 - d. Details of any other insurance that may cover the loss;
 - e. Changes in title or occupancy of the insured property during the term of the **policy**;
 - f. Specifications of damaged insured **buildings** and detailed repair estimates;
 - g. Names of mortgagees or anyone else having a lien, charge, or claim against the insured property;
 - h. Details about who occupied any insured **building** at the time of loss and for what purpose; and
 - i. The inventory of damaged personal property described in **J.3** above.
- 5. In completing the proof of loss, you must use your own judgment concerning the amount of loss and justify that amount.
 - 6. You must cooperate with the adjuster or representative in the investigation of the claim.
 - 7. The insurance adjuster whom we hire to investigate your claim may furnish you with a proof of loss form, and she or he may help you complete it. However, this is a matter of courtesy only, and you must still send us a proof of loss within 60 days after the loss even if the adjuster does not furnish the form of help you complete it.
 - 8. Underwriters have not authorized the adjuster to approve or disapprove claims or to tell you whether we will approve your claim.
 - 9. At our option, Underwriters may accept the adjuster's report of the loss instead of your proof of loss. The adjuster's report will include information about your loss and the damages you sustained. You must sign the adjuster's report. At our option, Underwriters may require you to swear to the report.

K. Our Options after a Loss

Options that Underwriters may, in our sole discretion, exercise after loss include the following:

1. At such reasonable times and places that we may designate, you must:
 - a. Show us or our representative the damaged property;
 - b. Submit to examination under oath, while not in the presence of another insured, and sign the same; and
 - c. Permit us to examine and make extracts and copies of:
 - (1) Any policies of property insurance insuring you against loss and the deed establishing your ownership of the insured real property;
 - (2) **Condominium association** documents including the Declarations of the **condominium**, its Articles of Association or Incorporation, Bylaws, and rules and regulations; and
 - (3) All books of accounts, bills, invoices, and other vouchers, or certified copies pertaining to the damaged property if the originals are lost.
2. Underwriters may request, in writing, that you furnish us with a complete inventory of the lost, damaged, or destroyed property, including:
 - a. Quantities and costs;
 - b. **Actual cash values** or replacement cost (whichever is appropriate);
 - c. Amounts of loss claimed;
 - d. Any written plans and specifications for repair of the damaged property that you can reasonably make available to us; and
 - e. Evidence that prior **flood** damage has been repaired.
3. If we give you written notice within 30 days after we receive your signed, sworn proof of loss, Underwriters may:
 - a. Repair, rebuild, or replace any part of the lost, damaged, or destroyed property with material or property of like kind and quality or its functional equivalent; and
 - b. Take all or any part of the damaged property at the value we agree upon or its appraised value.

L. No Benefit to Bailee

No person or organization, other than you, having custody of covered property will benefit from this insurance.

M. Loss Payment

1. Underwriters will adjust all losses with you. Underwriters will pay you unless some other person or entity is named in the **policy** or is legally entitled to receive payment. Loss will be payable 60 days after we receive your proof of loss (or within 90 days after the insurance adjuster files an adjuster's report signed and sworn to by you in lieu of a proof of loss) and:
 - a. Underwriters reach an agreement with you;
 - b. There is an entry of a final judgement; or
 - c. There is filing of an appraisal award with us, as provided in **VIII.P.**
2. If Underwriters reject your proof of loss in whole or in part you may:
 - a. Accept such denial of your claim;
 - b. Exercise your rights under this **policy**; or
 - c. File an amended proof of loss, as long as it is filed within 60 days of the date of the loss.

N. Abandonment

You may not abandon damaged or undamaged insured property to us.

O. Salvage

Underwriters may permit you to keep damaged insured property after a loss, and Underwriters will reduce the amount of the loss proceeds payable to you under the **policy** by the value of the salvage.

P. Appraisal

If you and Underwriters fail to agree on the **actual cash value**, or if applicable, replacement cost of the damaged property so as to determine the amount of loss, then either may demand an appraisal of the loss. In this event, you and Underwriters will each choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days you or we may request that the choice be made by a judge of a court of record in the State where the insured property is located. The appraisers will separately state the **actual cash value**, the replacement cost, and the amount of loss of each item. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed by any two will set the amount of **actual cash value** and loss, or if it applies, the replacement cost and loss.

Each party will:

1. Pay its own appraiser; and
2. Bear the other expenses of the appraisal and umpire equally

Q. **Mortgage Clause**

The word "mortgagee" includes trustee.

Any loss payable under Coverage **A** - Building will be paid to any mortgagee of whom Underwriters have actual notice as well as any other mortgagee or loss payee determined to exist at the time of loss, and you, as interests appear. If more than one mortgagee is named the order of payment will be the same as the order of precedence of the mortgages.

If Underwriters deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

1. Notifies us of any change in the ownership or occupancy, or substantial change in risk of which the mortgagee is aware;
2. Pays any premium due under this **policy** on demand if you have neglected to pay the premium; and
3. Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so.

All of the terms of this **policy** apply to the mortgagee.

The mortgagee has the right to receive loss payment even if the mortgagee has started foreclosure or similar action on the **building**.

If Underwriters decide to cancel or not renew this **policy**, it will continue in effect for the benefit of the mortgagee only for 30 days after Underwriters notify the mortgagee of the cancellation or non-renewal.

If Underwriters pay the mortgagee for any loss and deny payment to you, Underwriters are subrogated to all the rights of the mortgagee granted under the mortgage on the property. Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

R. **Suit Against Us**

You may not sue us to recover money under this **policy** unless you have complied with all the requirements of the **policy**. If you do sue, you must start the suit within 1 year after the date of the written denial of all or part of the claim, and you must file

the suit in the United States District Court of the district in which the insured property was located at the time of loss. This requirement applies to any dispute that you may have arising out of the handling of any claim under the **policy**.

S. Subrogation

Whenever Underwriters make a payment for a loss under this **policy**, Underwriters are subrogated to your right to recover for that loss from any other person. That means that your right to recover for a loss that was partly or totally caused by someone else is automatically transferred to us, to the extent that we have paid you for the loss. Underwriters may require you to acknowledge this transfer in writing. After the loss, you may not give up our right to recover this money or do anything that would prevent us from recovering it. If you make any claim against any person who caused your loss and recover any money, you must pay us back first before you may keep any of that money.

T. Continuous Lake Flooding

1. If your insured **building** has been flooded by rising lake waters continuously for 90 days or more and it appears reasonably certain that a continuation of this flooding will result in a covered loss to the insured **building** equal to or greater than the **building policy** limits plus the deductible or the maximum payable under the **policy** for any one **building** loss, we will pay you the lesser of these two amounts without waiting for the further damage to occur if you sign a release agreeing:
 - a. To make no further claim under this **policy**;
 - b. Not to seek renewal of this **policy**;
 - c. Not to apply for any flood insurance under the **Act** for property at the **described location**; and
 - d. Not to seek a premium refund for current or prior terms.

If the **policy** term ends before the insured **building** has been flooded continuously for 90 days, the provisions of this paragraph **T.1** will apply when the insured **building** suffers a covered loss before the **policy** term ends.

2. If your insured **building** is subject to continuous lake flooding from a closed basin lake, you may elect to file a claim under either paragraph, **T.1** above or this paragraph **T.2** (A 'closed basin lake' is a natural lake from which water leaves primarily through evaporation and whose surface area now exceeds or has exceeded one square mile at any time in the recorded past. Most of the nation's closed basin lakes are in the western half of the United States, where annual evaporation exceeds annual precipitation and where lake levels and surface areas are subject to considerable fluctuation due to wide variations in the climate. These lakes may overtop their basins on rare occasions.) Under this paragraph **T.2** Underwriters will

pay your claim as if the **building** is a total loss even though it has not been continuously inundated for 90 days subject to the following conditions:

- a. Lake **flood** waters must damage or immediately threaten to damage your building.
- b. Before approval of your claim, you must:
 - (1) Agree to a claim payment that reflects your buying back the the salvage on a negotiated basis; and
 - (2) Grant the conservation easement described in FEMA's "Policy Guidance for Closed Basin Lakes", to be recorded in the office of the local recorder of deeds. FEMA, in consultation with the community in which the property is located, will identify on a map an area or areas of special consideration (ASC) in which there is a potential for **flood** damage from continuous lake flooding. FEMA will give the community the agreed-upon map showing the ASC. This easement will only apply to that portion of the property in the ASC. It will allow certain agricultural and recreational uses of the land. The only structures that it will allow on any portion of the property within the ASC are certain simple agricultural and recreational structures. If any of these allowable structures are insurable **buildings** under the **NFIP** and are insured under the **PFIP** they will not be eligible for the benefits of this paragraph **T.2**. If a U.S Army Corps of Engineers certified **flood** control project or otherwise certified **flood** control project later protects the property, FEMA will, upon request, amend the ASC to remove areas protected by those projects. The restrictions of the easement will then no longer apply to any portion of the property removed from the ASC; and
 - (3) Comply with paragraphs **T.1.a.** through **T.1.d** above.
- c. Within 90 days of approval of your claim, you must move your **building** to a new location outside the ASC. Underwriters will give you an additional 30 days to move if you show that there is sufficient reason to extend the time.
- d. Before the final payment of your claim, you must acquire an elevation certificate and a floodplain development permit from the local floodplain administrator to the new location of your **building**.
- e. Before the approval of your claim, the community having jurisdiction over your **building** must:
 - (1) Adopt a permanent land use ordinance, or a temporary moratorium for a period not to exceed 6 months to be followed immediately by a permanent land use ordinance, that is consistent with the provisions specified for the easement required in paragraph **T.2.b** above;

- (2) Agree to declare and report any violations of this ordinance to FEMA and Underwriters so that under Section 1316 of the National Flood Insurance Act of 1968, as amended, **flood** insurance to the **building** can be denied; and
 - (3) Agree to maintain as deed-restricted, for purposes compatible with open space or agricultural or recreational use only, any affected property the community acquires an interest in. These deed restrictions must be consistent with the provisions of **T.2.b.** above, except that, even if a certified project protects the property, the land use restrictions continue to apply if the property was acquired under the Hazard Migration Grant Program. If a non-profit land trust organization receives the property as a donation, that organization must maintain the property as deed restricted, consistent with provisions of paragraph **T.2.b.** above
- f. Before the approval of your claim, the affected State must take all action set forth in FEMA's "Policy Guidance for Closed Basin Lakes".
 - g. You must have **NFIP** and /or **PFIP** flood insurance coverage continuously in effect from a date established by FEMA until you file a claim under this paragraph **T.2.** If a subsequent owner buys **NFIP** and / or **PFIP** Insurance that goes into effect within 60 days of the date of transfer of title, any gap in coverage during that 60- day period will not be a violation of this continuous coverage requirement. For the purpose of honoring a claim under this paragraph **T.2.**, Underwriters will not consider to be in effect any increased coverage that became effective after the date established by FEMA. The exception to this is any increased coverage in the amount suggested by your insurer as an inflation adjustment.
 - h. This paragraph **T.2** will be in effect for a community when the FEMA Regional Director for the affected region provides to the community, in writing, the following:
 - (1) Confirmation that the community and the State are in compliance with the conditions in paragraphs **T.2.e** and **T.2.f.** above; and
 - (2) The date by which you must have flood Insurance in effect.

U. Duplicate Policies Not Allowed

- 1. Underwriters will not insure your property under more than one **PFIP** policy.

If Underwriters find that the duplication was not knowingly created, Underwriters will give you written notice. The notice will advise you that you may choose one of several options under the following procedures:

- a. If you choose to keep in effect the **policy** with the earlier effective date, you may also choose to add coverage limits of the later **policy** to the limits of the earlier **policy**. The change will become effective as of the effective date of the later **policy**.

- b. If you choose to keep in effect the **policy** with the later effective date, you may also choose to add the coverage limits of the earlier **policy** to the limits of the later **policy**. The change will be effective as of the effective date of the later **policy**.

In either case, you must pay the pro rata premium for the increased coverage limits within 30 days of the written notice. In no event will the resulting coverage limits exceed the permissible limits of coverage under the Act or your insurable interest, whichever is less.

Underwriters will pay a refund to you, according to applicable NFIP rules, of the premium for the policy not being kept in effect.

- 2. Your opinion under this Condition **U. Duplicate Policies Not Allowed** to elect which **PFIP policy** to keep in effect does not apply when duplicates have been knowingly created. Losses occurring under such circumstances will be adjusted according to the terms and conditions of the earlier **policy**. The **policy** with the later effective date will be cancelled.

V. Loss Settlement

1. Introduction

This **policy** provides three methods of settling losses: Replacement Cost, Special Loss Settlement, and **Actual Cash Value**. Each method is used for a different type of property, as explained in **a-c.** below.

- a. Replacement Cost loss settlement, described in **V.2.** below, applies to **buildings** other than manufactured homes or travel trailers.
- b. Special loss settlement, described in **V.3.** below, applies to a **residential condominium building** that is a travel trailer or a manufactured home.
- c. **Actual cash Value** loss settlement to all other property covered under this **policy**, as outlines in **V.4.** below.

2. Replacement Cost Loss Settlement

- a. Underwriters will pay to repair or replace a damaged or destroyed **building**, after application of the deductible and without deduction for depreciation, but not more than the least of the following amounts:
 - (1) The amount of insurance in this **policy** that applies to the **building**;
 - (2) The replacement cost of that part of the **building** damaged, with materials of like kind and quality, and for like occupancy and use; or

- (3) The necessary amount actually spent to repair or replace the damaged part of the **building** for like occupancy and use.
- b. Underwriters will not be liable for any loss on a Replacement Cost Coverage basis unless and until actual repair or replacement of the damaged **building** or parts thereof, is completed.
- c. If a **building** is rebuilt at a location other than the **described location**, Underwriters will pay no more than it would have cost to repair or rebuild at **the described location**, subject to all other terms of Replacement Cost loss settlement.

3. Special Loss Settlement

- a. The following loss settlement conditions apply to a **residential condominium building** that is:
 - (1) A manufactured home or a travel trailer, as defined in **II.B.6.b.** and **c.**; and
 - (2) At least 16 feet wide when fully assembled and has an area of at least 600 square feet within its perimeter walls when fully assembled.
- b. If such a **building** is totally destroyed or damaged to such an extent that, in our judgement, it is not economically feasible to repair, at least to its predamage condition, we will at our discretion, pay the least of the following amounts:
 - (1) The lesser of the replacement cost of the manufactured home or travel trailer or 1.5 times the **actual cash value**; or:
 - (2) The **building** limit of liability shown on your **Declarations Page**.
- c. If such manufactured home or travel trailer is partially damaged and, in our judgement, it is economically feasible to repair it to its pre-damage condition, Underwriters will settle the loss according to the Replacement Cost loss settlement conditions in **V.2.** above.

4. Actual Cash Loss Settlement

- a. The types of property noted below are subject to **Actual Cash Value** loss settlement.
 - (1) Personal property;
 - (2) Insured property abandoned after a loss and that remains as debris at the **described location**;
 - (3) Outside antennas and aerials, awnings, and other outdoor equipment;
 - (4) Carpeting and pads;

(5) Appliances; and

(6) A manufactured or mobile home or travel trailer as defined in **II.B.6.b.** or **c.** that does not meet the condition for Special Loss Settlement in **V.3.** above.

b. Underwriters will pay the least of the following amounts:

- (1) The applicable amount of insurance under this **policy**;
- (2) The **actual cash value** (as defined in **II.B.2.**); or
- (3) The amount it would cost to repair or replace the property with material of like kind and quality within a reasonable time after the loss.

IX. LIBERALISATION CLAUSE

If Underwriters make a change that broadens your coverage under this edition of our **policy**, but does require any additional premium, then that change will automatically apply to your insurance as of the date underwriters implement the change, provided that this implementation date falls within 60 days before, or during the **policy** term stated on the **Declarations Page**.

SEVERAL LIABILITY NOTICE

PLEASE NOTE – This notice contains important information. PLEASE READ CAREFULLY

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.
