DESCRIPTION	RATE	QTY	AMOUNT
<p>1. Remove Old Stucco</p> <ul style="list-style-type: none">- Safely and efficiently remove the existing stucco from the designated areas.- Dispose of all debris in accordance with local regulations.- Ensure surrounding areas are protected from damage during removal.	\$6,580.00	1	\$6,580.00
<p>2. Inspect Plywood</p> <ul style="list-style-type: none">- Inspect the underlying plywood for damages or improper installation.- Identify, document, and assess any areas requiring repair or replacement.- Communicate findings and provide recommendations for correcting any deficiencies (if any are discovered).			
<p>3. Install New Plywood (if necessary)</p> <ul style="list-style-type: none">- Replace or repair any damaged or improperly installed plywood as identified during the inspection.- Ensure all new plywood is installed securely and meets building code requirements.			
<p>4. Install New Stucco</p> <ul style="list-style-type: none">- Prepare the surface for new stucco application, ensuring adequate adhesion.- Install new stucco on the cleaned and prepped surfaces across the five specified areas.- Ensure the installation meets industry standards for thickness, texture, and finish.			

5. Cleanup

- Conduct a thorough cleanup of the work area after the job is completed.
- Remove all tools, equipment, and debris.

An additional stucco section, not included in the original proposal, has been added as per client request and approval. This includes removal of old stucco and installation of new stucco in that section.	\$920.00	1	\$920.00
---	----------	---	----------

Per client approval, we have included the following additional work:	\$450.00	1	\$450.00
--	----------	---	----------

- Remove rotten 2x4 framing members in the affected area.
- Install new 2x4 framing to replace removed sections.

TOTAL	USD \$7,950.00
--------------	-----------------------

- The proposal is valid for 30 days from the date of issuance.
 - Any additional work outside the scope described will be subject to a separate estimate.

Please review the proposal and let me know if you have any questions or if you would like to proceed.

Thank you for the opportunity to work on your project.
