VERSE-A-DAY READING & WRITING PLAN DECEMBER

24 Days

Practice spending time with Jesus in His Word this Christmas Season.

Just 5 minutes, 5 steps, for 5 days each week.

With 1 or 2 days for catching up.

It's easy! Here's how it works...

What you need:

- Bible
- Pen, pencil, and/or markers
- Journal/Note Book or print the attached template for each day.
- Verse-A-Day Reading & Writing Plan Checklist

Before beginning the Plan it is important to find a quiet place away from distractions and decide when you will do your Verse-A-Day Reading & Writing Plan each day.

The 5 steps:

1. Look up the verse or verses for the day.
2. Read the verse(s).
3. Write out the verse(s) in your journal or note book.
4. Decorate the verse(s) you write in your journal using your markers. (Optional)
5. Check the day off on the Verse-A-Day Plan Checklist.

You can make your journal your own and set it up anyway you choose. It will be helpful to write the Day Number or Date next to each verse. You may also wish to start a new page for each day so you will have room to be as creative and artistic as desired.
