Intimacy Notes •		
Set Notes The after storm set has two main points: the log on T-USL (Thrust-USL) corner and the cooler in C-SLC and the fire will not move		
Costume and Props Notes - The cast tried on the first edition of costumes. Second edition coming soon. - Can we make sure Bobbie's costume has space for kneepads?		
Lights - The blackout on p78 will go to black and projector will go out. Then a stylized blackout will come up. Stylized blackout will continue across the lines on 78-79 until the Barb's "run" on at the bottom of p79 and the lights come back up. - Think supernatural glow...still dark but can get a bit of supernaturalness to it		
Sound •		
Schedule Line notes begin after the last off book day		
Marketing Link to Music Festival where we will have a booth with the Bug handing out postcards (gotta sell those tickets haha). If you are interested in helping out, contact Jo!		
Stage Management - Check in with [REDACTED] about what she needs / why she is repeatedly late. (Done) - Bring in big clear bin from home for costumes! Bring for next rehearsal.
