When creating your personalized garment, you must:

- Select your desired size,
- Choose your shirt color,
- Choose Long or Short sleeve,
- List details of what you would like on your garment. PLEASE be very descriptive so that we are able to give you the best quality item from you request. (Further contact is available if needed.)
- Select the number of garments you would like,
- Click "Add to Cart".

- After this process **we will contact you via email** to get any pictures, images, or details.

The next screen will show you your order, the price, quantity and total. If there is a coupon available at the time of purchase, you can put the code in the box (lower left corner). Click Apply. Upon checking out, enter all necessary information.
