Important Questions	Answers	Why This Matters:
What is the overall deductible ?	In and Out-of-Network combined: \$100 Individual / \$300 Family Applies to the services after the copay is applied.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	No	You will have to meet the deductible before the plan pays for any services.
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	Not Applicable	This plan does not have an out-of-pocket limit on your expenses.
What is not included in the out-of-pocket limit ?	Not Applicable	This plan does not have an out-of-pocket limit on your expenses.
Will you pay less if you use a network provider ? www.A	Yes, see www.Aetna.com for a list of network providers.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get these services.
Do you need a referral to see a specialist ?	No	You can see the specialist you choose without a referral.
