

# Maharana Brothers & co. Pvt. Ltd.

We are a leading seller and integrator of solar products to client destination. We are highly sought in market because we don't believe in delivering anything to clients but only renowned branded solar items ranging from 100W to 100KW.

To make client's surrounding green and solar power packed, we firstly go with detailed understanding of client's requirements and then we formulate it with proper designing, engineering, supplying and commissioning so that it can exactly fit to the purpose in elegant and efficient way.

Our clients are the main and foremost matter of concern and so what clients pay to us, we return it in term of quality solar products.

## • Who We are?

Maharana Brothers & Co is a certified private limited company which started in the year of 2009 at Cuttack in Orissa (India) with a clear vision to save non renewable energy for our future generation and providing affordable alternate energy option to all. Under valuable guidance of Mr. Lalitendu Maharana; founder of the company, we succeeded in our aim and as result today; we are one of the most trusted solar products manufacturers, suppliers and exporters.

## • Our Mission

We work on three principles, that are quality, affordability and convenience and all are centric to our clients. Our mission is to provide affordable renewable energy products to our clients at their doorstep so that they can enjoy all three benefits we focus to deliver.

## • What We Do?

We provide a complete Turnkey solution in form of solar power products to our clients in very budget price. We provide all standard solar power products available in market with quality tag as well as we are open to customize our products as per client's specification and need. We are one stop solution to get Solar PV Module, Solar Street light, Mini & Large Solar home lighting system, Solar Water Heater, Solar Pump and other solar related products.
