SOLM EMBARKS ON ITS 4TH YEAR OF REACHING OUT TO THE VULNERABLE

Since 2022, **Spirit of Our Lord Ministries (SOLM)** has sought to share the love of Christ by partnering with individuals like you to fund small **Christian community-based organizations (CBO)** in the developing world who are working to empower the vulnerable in their communities.

As an All-volunteer Nonprofit, **SOLM** maximizes the impact of your donation by minimizing cost. With nearly zero administration fees, the maximum amount of your donation goes directly towards helping the vulnerable.

With the help of generous partners like yourself, **SOLM** funds programs that have impacted thousands in **Ghana, Pakistan** and **Papua New Guinea** over the last three-years.

As the world continues to experience economic, political and environmental upheavals, we in the United States and the rest of the developed world are blessed with resources that provide us with the opportunity to care for our vulnerable. Unfortunately, this is not the case for many in the developing world.

Today many societies in the developing world are struggling to feed, educate and provide necessities for the most vulnerable in their midst.

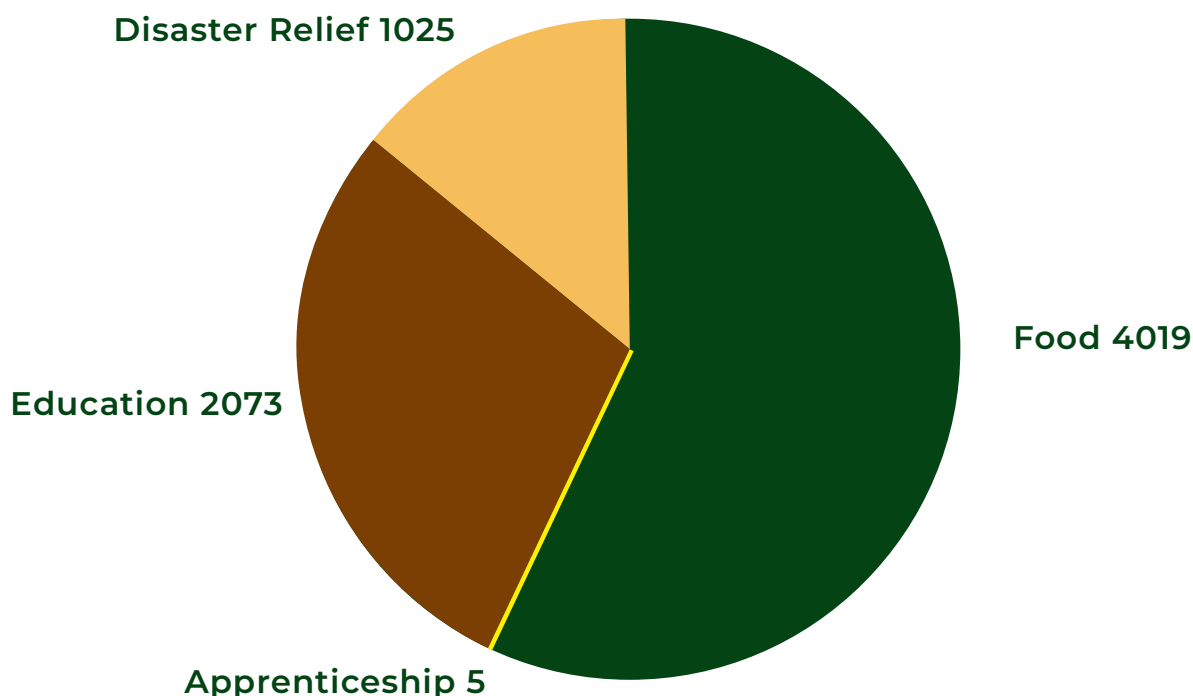

LOOKING AHEAD: THE GROWING NEED FOR SUPPORT

IN THE COMING YEAR, WE AIM TO:

- Expand our food relief efforts to help more families struggling with hunger.
- Provide more apprenticeship opportunities so young people can learn skills that will lead to long-term employment.
- Strengthen our education support by securing more resources for students who cannot afford basic school supplies.
- Build partnerships across the globe and seek new funding sources to sustain and grow the **SOLM** mission and outreach.
