

MAKING HOUSE BILL 493 WORK FOR YOU

From Permit to CO - How PCCI Can Help You

BEGIN AT THE PERMITTING PROCESS

1 - Select PCCI As Your 3rd Party Professional Provider

Partner with us at the time the building permit is generated.

Palmer Construction Consultants, Inc. (PCCI) has been performing 3rd Party inspection services for new construction projects for **over 20 years**. We can utilize this **experience** to offer design solutions (many on-site) for any deficiencies noted.

PARTNER WITH PROFESSIONALS

2 - Schedule All Inspections With PCCI

As your 3rd Party Professional Provider, PCCI will provide and maintain an open line of communication between the Contractor and the Inspector. We will help coordinate with the local Municipality to ensure your project transitions smoothly from start to finish.

BE CONFIDENT WITH COVERAGE

3 - Know That You Are Protected

PCCI's Professional Liability Insurance covers any negligent acts, inspections, or recommendations. Municipalities typically accept no responsibility or liability resulting from an inspection.

PREPARE FOR STREAMLINED SERVICE

4 - Trust PCCI For Timely Service

With the appropriately certified personnel to perform all inspections on residential and light commercial projects in-lieu-of the governing municipality, in accordance with HB493, we are typically available to be onsite with short notice.
