

The logo consists of the letters 'S', '&', and 'S' in a highly stylized, rounded, and interconnected font. The letters are light gray and stand out against the dark background. The background features a repeating pattern of dark, rounded shapes that resemble stylized leaves or petals, creating a textured, layered effect.

A stylized, minimalist illustration of a white t-shirt. The shirt is centered and shown from a front-facing perspective. It has a simple crew neck and short sleeves. The entire shirt is rendered in a clean, white color with soft, light gray shading to indicate the folds of the fabric and the texture of the material. In the center of the chest, there is a small, dark gray oval shape that serves as a label. Inside this label, the word "SHIRTS" is written in a bold, uppercase, sans-serif font. The letters are a vibrant red color, providing a strong contrast against the white background of the shirt and the dark gray of the label.
