Our mission is to preserve the legacy and advance the evolution of tango and its relationship with jazz, classical, and world genres, while uniting people globally through art and culture.

## PIAZZOLLA100

The **PIAZZOLLA100** project was launched in 2018 in anticipation of the centennial celebration of Astor Piazzolla, the Argentine-born and New York raised composer who mentored our artistic director Leonardo Suarez-Paz.

Under the fiscal sponsorship of **NYFA** the project created and carried out cultural and education programs establishing it as a driving force in tango's preservation and evolution.

Join us for the **1st Edition of PIAZZOLLA100: THE NEW YORK TANGO FESTIVAL**, an annual multidisciplinary celebration of the tango culture.
