

Little Stars Academy

FAMILY HANDBOOK

Little Stars Academy

WELCOME!

Dear Parents and Guardians,

Welcome to Little Stars Academy! Here at Little Stars, we are thrilled to have you, and your child join our daycare family! Our mission is to provide a safe, stimulating, and nurturing environment where your child can grow, thrive, and learn.

At Little Stars Academy, we believe in obtaining a love for learning through exploration and play! Our devoted staff is committed to creating a supportive atmosphere where each child feels valued, nurtured, and encouraged to reach their full potential. We offer a variety of age-appropriate activities that promote social, cognitive, emotional, and physical development.

We understand that choosing the right daycare for you and your family is an important decision, and we are honored that you have chosen us. We look forward to partnering with you to ensure a positive and enriching experience for your child. Please feel free to reach out to us with any questions, comments, or concerns.

Warm regards,

Callie Schlechter

ABOUT US

Philosophy

Little Stars Academy strives to provide a safe nurturing environment for children to grow, learn and interact with their peers and caregivers. It is of the utmost importance that the children here feel safe and loved while they are with us. Little Stars aims to engage children in activities that will challenge their minds and bodies for proper growth and development. While the children are learning throughout the day, the little dreamers can explore various ways of fun and leaning.

Mission

It is the goal of Little Stars Academy to provide a safe and affordable place for children to learn and grow. We will strive to make sure that your child is provided with quality and consistent care, so that they can feel safe and secure to explore and learn here with us.

Certification

Definition of Family

In this handbook we refer to family as a parent, legal guardian, sponsor or anyone else who provides for the well-being, best-interest and responsibility of the child in our care.

Hours of Operation

Childcare services are provided from 5:30 AM to 6:30 PM Monday through Friday.

Holidays

We are closed on the following holidays to allow our staff time to spend with their loved ones:

- New Year's Day and the day after (If New Year's falls on a weekend we will either be closed the Friday before or the Monday following).
- Easter and Holy Monday
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving and Black Friday
- Christmas Eve, Christmas Day, and the Day after

If a holiday falls on a weekend, we may be closed either the Friday before or the Monday after. We will communicate these days and times with families in advance to allow them time to arrange for other care if needed.

The center may also close for weather related issues.

Admission & Enrollment

All admission and enrollment forms must be completed and enrollment fee and first tuition payment paid prior to your child's first day of attendance.

A deposit fee of \$300 is due at the time of enrollment. This fee is non-refundable.

A two-week, non-refundable tuition deposit is required for each child enrolled. This deposit will be held without interest and will represent tuition payment for the last two weeks of the child's enrollment.

Based on the availability and openings, our facility admits children from 6 weeks to 5 years of age.

Our process for introducing children to our program is as follows:

An appropriate space will be labeled for the child's belongings upon arrival.

Each child will be welcomed into the center by one of our staff members. If parents wish to bring their child in to meet the Caregiver(s) this can be arranged. We will try to keep children with the same caregivers or a familiar caregiver, but this may change depending on staffing needs.

Children are admitted without regard to race, culture, sex, religion, national origin, or disability. We do not discriminate on the basis of special needs as long as a safe, supportive environment can be provided.

Inclusion

Little Stars Academy believes that children of all ability levels are entitled to the same opportunities for participation, acceptance and belonging in childcare. We will make every reasonable accommodation to encourage full and active participation of all children in our program based on his/her individual capabilities and needs.

If your child has an identified special need, please let us know in advance so that we may discuss if we are the best fit for your little dreamers needs. We will do our best to accommodate family's needs and work with you to figure out the best solutions. If you have someone that works with your child we will need to know in advance (i.e. speech therapy, physical therapy).

Non-Discrimination

At Little Stars Academy equal educational opportunities are available for all children, without regard to race, color, creed, national origin, gender, age, ethnicity, religion, disability, or parent/provider political beliefs, marital status, sexual orientation or special needs, or any other consideration made unlawful by federal, state or local laws. Educational programs are designed to meet the varying needs of all students.

Family Activities

Each family is a child's first teacher. We value families as partners in the growth and development of children in our program. We encourage parents and other family members to be involved in the program, visit children's classrooms, participate in events, and provide feedback on the program. We offer a variety of ways in which families can participate in helping us establish and reach our program goals.

Confidentiality

Unless we receive your written consent, information regarding your child will not be released with the exception of that required by our regulatory and partnering agencies. All records concerning children at our program are confidential.

Staff Qualifications

Our Caregivers are hired in compliance with the state requirements and qualifications as a base minimum. Typical staff certifications are as follows:

Caregivers participate in orientation and ongoing training in the areas of child growth and development, healthy and safe environments, developmentally appropriate practices, guidance, family relationships, cultural and individual diversity, and professionalism.

We strongly discourage families from entering employment arrangements with staff (i.e. babysitting). Any arrangement between families and our caregivers outside the programs and services we offer is a private matter, not connected or sanctioned by Little Stars Academy.

Child to Staff Ratios

Children are supervised at all times. All caregivers receive scheduled breaks which reduce fatigue and help to ensure alertness.

We maintain the following standards for child to staff ratios:

Age	Child to Staff	Maximum Group Size
≤ 12 months	<u>5 to 1</u>	<u>10</u>
13-35 months	<u>5 to 1</u>	<u>10</u>
3-year-olds	<u>10 to 1</u>	<u>20</u>
4-year-olds	<u>10-1</u>	<u>20</u>

Source: National Resource Center for Health and Safety in Child Care and Early Education.

Communication & Family Partnership

Daily Communications. Daily notes from center staff will keep you informed about your child's activities and experiences at the center. Notes will be placed into your child's cubby at the end of the day.

Bulletin Boards. Located throughout the center, bulletin boards provide center news, upcoming events, faculty changes, holiday closing dates, announcements, etc.

Newsletters. These newsletters are available at the sign-in/sign-out desk for your taking.

Email. We encourage you to provide an email address that you use regularly so that we may send you announcements, event invitations, newsletters and general updates.

Family Visits. Family participation is encouraged. Visit our classrooms, volunteer, come along on a field trip, or eat a meal with your child. Signing in is required for the safety and protection of our children. Each visitor must wear a visitor's badge while on premises and sign-out upon leaving.

Open Door Policy

We are delighted to have family members participate in our program. Parents/Guardians are welcome to visit the program any time during regular program hours. The infant room welcomes parents/guardians to nurse or feed their infants.

Open Door Policy does not mean the doors will be unlocked. For the safety and protection of the children, external doors will be kept always locked.

Our team will always do their best to speak with parents/guardians. Since staff days are devoted to caring for children, it is usually not feasible to have a long discussion during regular program hours. If a situation requires a longer discussion, kindly arrange for an appointment.

Publicity

Occasionally, photos will be taken of the children at the center for use within the center or on our website. Written permission will be obtained prior to use of photographs.

Unless the family indicates that they want their child to participate, we will not use pictures and names of children for publicity.

Transitions

Your child's transition in childcare should be a positive and exciting learning adventure. We will work with you and your child to ensure the smoothest possible transition occurs as new routines and new people are introduced.

Transition from home to center

Prior to your child's first day, you will have an opportunity to tour the center, meet with your child's peers and Caregivers, and communicate any anticipated concerns. At this time, please share the best communication methods that the caregiver may use to reach you.

Transition between learning programs

Children are transitioned to the next program based on age, developmental readiness, state licensing requirements, and space availability. During the transition, current and future caregivers will meet with you to propose a plan to introduce your child into the new program.

Transition to elementary school

Transition activities such as a field trip to a local elementary school, creating a mural of special friends and special times at our center will be part of your child's education at our center. We will provide you with information on local schools, what to expect, and ideas on how to talk to your child about going to elementary school.

Electronic Media

Our normal daily routine does not include electronic media (television/TV, video, DVD) viewing and computer use but from time-to-time, we may use a television show without advertisements as a teaching aid and discussion stimulator. All Electronic Media will be screened prior to use and will consist of non-violent and high-quality educational material. Our focus is to provide your child a positive experience with increased understanding of the world. Electronic Media will be offered only as a free choice.

Multiculturalism

Multiculturalism is vital for all children because it sets social goals and promotes respect for all people and the environment we inhabit. We utilize books, music, games, and a wide range of activities as aids to teach our children respect for our world and the diversity of life upon it.

Celebrations

Our holiday policy encourages an enhanced understanding of and respect for different cultures and beliefs of children, families, staff and community.

Holidays may be celebrated by staff and students with an emphasis on being as inclusive as we can about different beliefs and family practices. If we choose to have a holiday party or celebration we will notify families in advance.

Rest Time

Infants sleep according to their own schedule and are put to sleep on their backs. Caregivers/teachers directly always observe infants by sight and sound and check on sleeping infants every 20 minutes

After lunch, all children will participate in a quiet rest time. Children are not required to sleep and may be given quiet activities.

School age children, although not required, shall be provided an opportunity for a regular rest period if the child desires. For children who do not want to rest, a space and time for quiet play will be made available.

We follow state guidelines on safe sleep practices. Infants are placed to sleep on their backs in a crib. Toys and blankets and other items are not allowed in cribs with the exception of a pacifier to help soothe him/her. Infants who are unable to roll over are placed in a swaddle to sleep. If the infant is able to roll over, then he/she will be placed in a sleep sack.

Toilet Training

The most important factor in making the toilet learning experience successful and as low-stress as possible is a family/caregiver partnership that supports the child. Research indicates that children cannot successfully learn how to use the toilet until they are physically, psychologically, and emotionally ready. Many pediatricians say that most children under 24 months of age are not physically capable of regulating bladder and bowel muscles. Most positive toilet training occurs only after children show signs of physical control or awareness of their bodily functions and when they demonstrate an interest or curiosity in the process. We are committed to working with you to make sure that toilet learning is carried out in a manner that is consistent with your child's physical and emotional abilities and your family's concerns.

When a child is toilet training, he/she will be taken to the restroom frequently in an attempt to limit or prevent accidents from occurring.

GUIDANCE

General Procedure

Little Stars Academy is committed to each student's success in learning within a caring, responsive, and safe environment that is free of discrimination, violence, and bullying. Our center works to ensure that all students have the opportunity and support to develop to their fullest potential and share a personal and meaningful bond with people in the school community.

Thoughtful direction and planning ahead are used to prevent problems and encourage appropriate behavior. Communicating consistent, clear rules and involving children in problem solving help children develop their ability to become self-disciplined. We encourage children to be fair, to be respectful of other people, of property, and to learn to understand the results of their actions.

Discipline Policy

We have created a discipline policy that reflects our philosophy of positive guidance with children. A copy of the discipline policy is included in your enrollment package for you to review and sign.

Challenging Behavior

Children are guided to treat each other and adults with self-control and kindness.

Each student at Little Stars Academy has a right to:

- Learn in a safe and friendly place
- Be treated with respect
- Receive the help and support of caring adults

When a child becomes verbally or physically aggressive, we intervene immediately to protect all of the children. Our usual approach to helping children with challenging behaviors is to show them how to solve problems using appropriate interactions. When discipline is necessary, it is clear, consistent and understandable to the child. We maintain a zero tolerance to bullying. If you have any concerns about this at any time, please report it to the Director of the Center.

Physical Restraint

Physical restraint is not used or permitted for discipline. There are rare instances when we need to ensure a child's safety or that of others and we may restrain a child by gently holding her or him only for as long as is necessary for control of the situation.

Notification of Behavioral Issues to Families

If a child's behavior/circumstance is of concern, communication will begin with the parents as the first step to understanding the child's individual needs and challenges. We will work together to evaluate these needs in the context of our program.

On rare occasions, a child's behavior may warrant the need to find a more suitable setting for care. Examples of such instances include:

- A child appears to be a danger to others.
- Continued care could be harmful to, or not in the best interest of the child as determined by a medical, psychological, or social service personnel.
- Undue burden on our resources and finances for the child's accommodations for success and participation.

TUITION AND FEES

Important Notice

All payment and fee processing will be completed by Callie Schlechter. He/she will be in charge of collecting tuition and other fees and contacting families regarding payment issues. If you have a question or concern regarding a payment or fee, please contact Callie Schlechter.

Tuition Rates

Full Time Rates

Full-Time Infant Rate up to 45 hours per week: \$1,200.00 per Month

Full-Time Toddler Rate up to 45 hours per week: \$1,100.00 per Month

Part Time Rates

Part-Time Infant Rate up to 25 hours per week: \$650.00 per Month

Part-Time Toddler Rate up to 25 hours per week: \$600.00 per Month

School Age Program

Summer program rate up to 25 hours per week: \$520 per Month

School program rate up to 25 per week: \$320 per Month

If hours exceed the contracted hours (45 for full time or 25 for part time) there will be an additional charge of 10.00 per hour added to your statement. This may be figured into to your tuition rates if it is known that more than the contracted hours will be needed.

Drop-in care will be based on availability for the date and time care is needed. Drop-in care will be \$10.00 per hour with a minimum of 4 hours.

Families contract for a specific weekly schedule as indicated on the *Enrollment Agreement* Form. Payment for this contracted schedule is required every week year-round whether or not your child attends; this enables us to pay caregivers a stable salary every week all year. No credits are given for sick or vacation days, holidays, staff training closure or closure due to inclement weather.

Tuition Deposit

A Tuition Deposit equal to two weeks of care is required at the time registration is confirmed. This deposit is applied to the last two weeks of care provided a two-week written notice is given. If a two-week written notice is not given when a child has withdrawn from the program, the family will be billed for two weeks of care, which may come out of their deposit.

Overtime Rates

Overtime rates apply to both full-time and part-time families and are contingent on prior agreement of hours of care needed. When your family surpasses 45 hours of childcare per week for full time families and 25 hours for part time care, a fee of \$6.00 per hour will be charged to your account for each overtime hour of care.

Payment

Payment is always due in advance with no deduction for any absences, holidays, or closures due to inclement weather, power outages, or other situations beyond our control. Payment is due bi-weekly or monthly as outlined in the *Enrollment Agreement*.

A non-refundable registration fee of \$300.00 is due upon enrollment and due by your little stars first day.

Methods of Payment

Several methods of payment are available for families' convenience. Families can pay by cash, check.

Late Payment Charges

Late payments can pose serious problems for our programs and as a result, the business does not have the latitude to allow families to accrue a balance equal to more than one Month of tuition. Late payments will result in the imposition of late payment fees. Failure to pay childcare payments will result in childcare services being terminated.

If payment is not received on the day that it is due, a late fee of \$45 will be added to your next tuition payment for each day that it is late. Repeated late payments will result in your family being required to set up automatic payments or credit card payments.

Any payments made will be applied to the oldest charges and late fees may still apply if the account is not paid in full by the next tuition due date.

If payment is more than 120 business days past due, we may attempt to recover payment in small claims court and/or your account may be sent to a 3rd party collections agency. You will be responsible for all expenses associated with these actions including all court and attorney fees.

Returned Checks/Rejected Transaction Charges

All returned checks or rejected ACH (automatic debits) or credit card transactions will be charged a fee of \$35. This charge may be collected electronically. Two or more returned checks or rejected transactions will result in your account being placed on “cash only” status.

Late Pick-up Fees

Late pick-up is not a normal program option and will only be considered as an exceptional occurrence. Late fees of \$10.00 per minute will be assessed beginning at 6:32 PM and will be due when the next scheduled childcare payment is made. Repeated late pick up may result in childcare services being terminated.

Other Fees

- From time-to-time there will be additional fees associated with special activities or field trips. These fees are due prior to the event, activity or trip.
- A non-refundable enrollment/ registration fee of \$300 is due at time of enrollment.

Credits & No Credits

- Families contract for a specific weekly schedule as completed on the *Enrollment Agreement* Form. Payment for this contracted schedule is required every week year-round whether or not your child attends; this enables us to pay Caregivers a stable salary every week all year. No credits are given for sick or vacation days, holidays, staff training closure or closure due to inclement weather, infectious disease (except as noted below), or weather-related or environmental issues.
- Credit may be given for Serious Illness/Injury – In the unfortunate event of extenuating circumstances such as your child is hospitalized, absent due to a serious contagious disease or serious illness or injury, credit may be issued. A written doctor’s note is required to receive a credit.

ATTENDANCE & WITHDRAWAL

Absence

If your child is going to be absent or arrive after their usual drop off time, please call us at (605) 204--0175, or email us at littlestarsacademy2024@gmail.com. We will be concerned about your child if we do not hear from you.

Vacation

[A] Vacation days only apply if your child is normally scheduled to attend on those days. Each child is given 5 vacation days each calendar year.

or

[B] While we recognize the value of family vacations, the center does not provide credit for vacation days.

Withdrawal

A written notice, 2 weeks in advance, is required by the center when a child is being withdrawn. Failure to notify will result in forfeiture of your payment.

Transfer of Records

Whether transitioning to the next program setting or to a new classroom, your child's records will be transferred internally.

If your child is transitioning to a new school, a written request from you with instructions to where the records should be sent is required.

Closing Due to Extreme Weather

Should severe weather or other conditions (i.e., snow, storms, floods, tornadoes, hurricanes, earthquakes, blizzards, loss of power, and loss of water) prevent us from opening on time or at all, notification to the families will be announced on. We will close in cases of severe weather at or around the same time as local schools and South Dakota State University. We reserve the right to close at any time we deem necessary for the safety of our staff and the children

If it becomes necessary to close early, we will contact you or your emergency contacts as soon as possible. Your child's early pick-up is your responsibility to arrange.

DROP-OFF AND PICK-UP

General Procedure

We open at 5:30 AM. Please do not drop-off your child prior to the opening. Parents are expected to accompany their children and sign them in.

We close at 6:30 PM. Please allow enough time to arrive, sign your child out, and leave by closing time.

Children may be dropped off in their classroom.

Cell Phone Usage

The times you spend in the center dropping off and picking up your child are the primary windows of time we have to communicate with you about your child. In order to make the best use of these opportunities, as well as to be attentive to your child and other children, we ask that you not use your cell phone at any time while visiting the center.

Authorized & Unauthorized Pick-up

Your child will only be released to you or those persons you have listed as Emergency and Release Contacts. If you want a person who is not identified as an Emergency and Release Contact to pick-up your child, you must notify us in advance, in writing. Your child will not be released without prior written authorization. The person picking up your child will be required to show a picture ID as verification. Please notify your pick-up person of our policy.

In order to safeguard your child, we will need copies of any court ordered custody agreements. Without a custody agreement, we are not able to prevent the release of your child to a parent.

If a child has not been picked up after closing and we have not heard from you, attempts will be made to contact you, and the contacts listed as Emergency and Release Contacts. Provisions will be made for someone to stay with your child as long as possible, but if after 45 minutes we have not been able to reach you or a person listed as an Emergency and Release Contact, we will call the local child protective services agency.

Right to Refuse Child Release

We may refuse to release children if we have reasonable cause to suspect that any person picking up a child is under the influence of drugs or alcohol or is physically or emotionally impaired in any way that may endanger the child. To protect your child, we may request that another adult listed as an Emergency and Release Contact pick-up the child, or we may call the police to prevent potential harm to your child. Reoccurring situations may result in the release of your child from the program.

PERSONAL BELONGINGS

What to Bring

- Infants: enough clean bottles for a day's use, at least 6 diapers per day, and at least 2 changes of clothes per day. All bottles must be labeled and dated.
- Toddlers: enough clean bottles for a day's use (if applicable), six diapers and at least two changes of clothes per day. All bottles must be labeled and dated.
- Older Toddlers: at least two changes of clothes or more per day if going through the toilet training program. If child is napping and is not fully trained pull ups may be advised.
- Preschoolers: at least one change of clothes, socks and shoes.

Please label all items brought from home with your child's name (i.e., clothes, bottles, diapers, pacifiers, crib sheet, blanket, etc.) to prevent items from becoming misplaced or lost. We are not responsible for lost or damaged items. Sheets and soiled clothing will be sent home on an as-needed basis for laundering and return to the center.

Cubbies

Upon enrollment each child will be assigned a "cubby." Cubbies are labeled with your child's name. Please check your child's cubby on a daily basis for items that need to be taken home.

Lost & Found

You can look for lost items and bring found items to the Lost-and-found Box located at the front entry. Please note that we are not responsible for lost personal property.

Toys from Home

We request that you do not allow your child to bring toys from home into the center unless they are part of a show-and-tell activity.

NUTRITION

Foods Brought from Home

Food brought from home is permitted under the following conditions:

- Perishable food to be shared with other children must be store-bought and in its original package.
- Baked goods may be made at home if they are fully cooked, do not require refrigeration and were made with freshly purchased ingredients. A list of ingredients is required, and there must be enough food for all children.
- Foods should be labeled with the child's name, date, and type of food.
- Children will not be allowed to share food provided by the child's family unless the food is intended for sharing with all of the children.
- Leftover food will be discarded except for foods that do not require refrigeration and/or come in a commercially wrapped package that was never opened.

Food Prepared for or at the Center

Food prepared for or at the center will be properly planned, prepared and portioned according to the Child and Adult Care Food Program (<http://www.fns.usda.gov/cnd/care/>) and the state requirements for food service.

Food Allergies

If your child has a food allergy, you must notify us in writing so that we can make appropriate substitutions. The written notification should list appropriate food substitutions and must be updated at least annually.

Food allergies can be life threatening and each child with a food allergy should have an action plan for emergency care completed by the family physician.

Mealtime

At mealtimes children will sit at tables in small groups and be served their meals. At this time, we do not have family style dining practices in place, but may incorporate in the future. Children are served on plastic plates and use plastic utensils and cups.

A caregiver who is trained in first aid for choking is present at all meals.

Infant Feedings

Infant feedings follow these procedures:

- Infants will be held for bottle-feeding until able to hold his or her own bottle. Bottles will never be propped.
- Infants are fed "on cue" to the extent possible (at least every 4 hours and usually not more than hourly) and by a consistent caregiver/teacher.
- Breastfeeding is supported by providing a place for nursing mothers to feed their babies. Expressed breast milk may be brought from home if frozen or kept cold during transit. All breast milk and formula shall be returned to the child's home or discarded at the end of each day. Previously frozen, thawed breast milk must be used within 24 hours. Bottles

must be clearly labeled with the child's name and the date the milk was expressed. Frozen breast milk must be dated and may be kept in the freezer for up to 6 months.

- Breast milk and formula brought from home must be dated and labeled with the child's name.
- Labels on all milk/formula containers should be resistant to loss of the name and date/time when washing and handling.
- Solid foods will only be introduced after a consultation with the child's family.

Children 24 Months and Older

- No child shall go more than 4 hours without a meal or snack being provided.
- Children are encouraged to self-feed to the extent that they have the skills. Children are encouraged, but not forced to eat a variety of foods.
- Round, firm foods that pose a choking hazard for children less than 4 years of age are not permitted. These foods include whole hot dogs, whole grapes, peanuts, popcorn, thickly spread peanut butter and hard candy.

HEALTH

Immunizations

Immunizations are required according to the current schedule recommended by the U.S. Public Health Services and the American Academy of Pediatrics, www.aap.org. We check with the public health department or the American Academy of Pediatrics for updates of the recommended immunization schedule. Our state regulations regarding attendance of children who are not immunized due to religious or medical reasons are followed. Unimmunized children are excluded during outbreaks of vaccine preventable illness as directed by the state health department.

All caregivers, teachers, and staff are required to be current with all immunizations routinely recommended for adults by the Advisory Committee on Immunization Practices (ACIP) of the Centers for Disease Control and Prevention (CDC).

Physicals

Routine physicals are required according to the current recommendations of the American Academy of Pediatrics, www.aap.org. A copy of your child's physical should be received before but must be received no later than [30] days after your child begins the program. Families are responsible for assuring that their child's physicals are kept up-to-date and that a copy of the results of the child's health assessment is given to the program.

Illness

We understand that it is difficult for a family member to leave or miss work, but to protect other children; you may not bring a sick child to the center. The center has the right to refuse a child who appears ill. You will be called and asked to retrieve your child if your child exhibits any of the following symptoms. This is not an all-inclusive list. We will try to keep your child comfortable, but he/she will be excluded from all activities until you arrive.

- Illness that prevents your child from participating in activities.
- Illness that results in greater need for care than we can provide.

- Illness that poses a risk of spread of harmful diseases to others.
- Fever (100°F or higher under the arm, 101°F or higher in the mouth, 102°F or higher in the ear) accompanied by other symptoms.
- Diarrhea – stools with blood or mucus, and/or uncontrolled, unformed stools that cannot be contained in a diaper/underwear or toilet.
- Vomiting – green or bloody, and/or more than 2 times during the previous 24 hours.
- Mouth sores caused by drooling.
- Rash with fever, unless a physician has determined it is not a communicable disease.
- Pink or red conjunctiva with white or yellow eye discharge, until on antibiotics for 24 hours.
- Impetigo, until 24 hours after treatment.
- Strep throat, until 24 hours after treatment.
- Head lice, until treatment and all nits are removed.
- Scabies, until 24 hours after treatment.
- Chickenpox, until all lesions have dried and crusted.
- Pertussis (Whooping Cough), until 5 days of antibiotics.
- Hepatitis A virus, until one week after immune globulin has been administered.
- Tuberculosis, until a health professional indicates the child is not infectious.
- Rubella, until 6 days after the rash appears.
- Mumps, until 5 days after onset of parotid gland swelling.
- Measles, until 4 days after onset of rash.
- Has a physician or other health professionals written order that child be separated from other children.

Children who have been ill may return when:

- They are free of fever, vomiting and diarrhea for 24 hours.
- They have been treated with an antibiotic for 24 hours.
- They are able to participate comfortably in all usual activities.
- They are free of open, oozing skin conditions and drooling (not related to teething) unless:
 - The child's physician signs a note stating that the child's condition is not contagious, and;
 - The involved areas can be covered by a bandage without seepage or drainage through the bandage.
- If a child had a reportable communicable disease, a physician's note stating that the child is no longer contagious and may return to our care is required.

Allergy Prevention

Families are expected to notify us regarding children's food and environmental allergies.

Families of children with diagnosed allergies are required to provide us a letter detailing the child's symptoms, reactions, treatments and care. A list of the children's allergies will be posted in the main area and kitchen. We are trained to familiarize ourselves and consult the list to avoid the potential of exposing children to substances to which they have known allergies.

Medications

All medications should be handed to a staff member with specific written instructions for administration. Medications should never be left in the child's cubby or with the child to administer on their own. Our staff will ensure that the medication is recorded along with the directions and proceed to dispense the medication as directed.

- Prescription medications require a note signed by the family and a written order from the child's physician. The label on the medication meets this requirement. The medication must include your child's name, dosage, current date, frequency, and the name and phone number of the physician. All medications must be in the original container (you may request pharmacies to fill your prescription in two labeled bottles). Please specify the dosage and time(s) to be administered for each medication.
- Non-prescription medications require written permission and instructions signed by the child's primary care physician. The written permission must include your child's name, dosage, current date, frequency, and all medications must be in the original container. Non-prescription medication should not be administered for more than a 3-day period unless a written order by the physician is received.
- (C) Non-prescription topical ointments (e.g., diaper cream or teething gel), sunscreen and insect repellent require a note signed by the family, specifying frequency and dosage to be administered as well as the length of time the authorization is valid which cannot exceed 12 months.

Communicable Diseases

When an enrolled child or an employee of the center has a (suspected) reportable disease, it is our legal responsibility to notify the local Board of Health or Department of Public Health. We will take care to notify families about exposure so children can receive preventive treatments.

Included among the reportable illnesses are the following:

- Bacterial Meningitis
- Botulism
- Chicken Pox
- COVID-19
- Diphtheria
- Hemophilus Influenza (invasive)
- Measles (including suspect)
- Meningococcal Infection (invasive)
- Poliomyelitis (including suspect)
- Rabies (human only)
- Rubella Congenital and Non-congenital (including suspect)
- Tetanus (including suspect)
- H1N1 Virus
- Any cluster/outbreak of illness
- Tuberculosis

SAFETY

Clothing

Please dress your child in practical clothing that allows for freedom of movement and is appropriate for the weather. Your child will be involved in a variety of activities including painting, outdoor play, sand, weather, and other sensory activities. Our playground is used as an extension of the center, and daily programs are conducted outside whenever weather permits.

One particular aspect of concern is the risk associated with children's clothing that may become entangled with climbing or sliding equipment that could lead to choking or other serious harm. All drawstrings from children's clothes should be removed as a precaution.

Sandals and flip-flops are not appropriate for center play and make it difficult for your child to participate in some activities.

Extreme Weather and Outdoor Play

The weather chart below will be followed when taking children outside to play.

Understand the Weather

Wind-Chill

- 30° is **chilly** and may be **uncomfortable**
- 15° to 30° is **cold**
- 0° to 15° is **very cold**
- -20° to 0° is **bitter cold** with significant risk of **frostbite**
- -20° to -60° is **extreme cold** and **frostbite** is likely

Heat Index

- 78° or below is considered **comfortable**
- 85° beginning to feel **uncomfortable**
- 90° **uncomfortable** and may be **hazardous**
- 100° considered **dangerous**

All temperatures are in degrees Fahrenheit

Injuries

Safety is a major concern in childcare and so daily safety inspections are completed inside and outside the center area in order to prevent injuries. First aid will be administered by a trained caregiver in the event that your child sustains a minor injury (e.g., scraped knee). You will receive an incident report outlining the incident and course of action taken. If the injury produces any type of swelling or needs medical attention, you will be contacted immediately. Each classroom is equipped with a first aid kit meeting the state regulations.

In the event of a serious medical emergency, the child will be taken to the hospital immediately by ambulance, while we will try to contact you or an emergency contact.

Biting

Biting is a normal stage of development that is common among infants and toddlers – and sometimes even among preschoolers. It is something that most young children will try at least once.

When biting happens, our response will be to care for and help the child who was bitten and to help the biter learn a more appropriate behavior. Our focus will not be on punishment for biting, but on effective behaviors that address the specific reason for biting.

Notes will be written to the family of the child who was bitten and the biter's family. We will work together with the families of each to keep them informed and to develop strategies for change.

Respectful Behavior

All children and families will be treated with respect and dignity. In return, we expect the same from all of our families. We will not tolerate hostile or aggressive behavior. If this occurs, we reserve the right to ask you to control your behavior or to remove your children from our care.

Smoking

The poisons in secondhand smoke are especially harmful to infants and young children's developing bodies, therefore the indoor and outdoor center environment and vehicles used by the center are always non-smoking areas. The use of tobacco in any form is prohibited on the center's premises.

Prohibited Substances

The use of alcohol or illegal drugs is prohibited on the center's premises. Possession of illegal substances or unauthorized potentially toxic substances is prohibited.

Any adult who appears to be inebriated, intoxicated, or otherwise under the influence of mind-altering or polluting substances is required to leave the premises immediately.

Dangerous Weapons

A dangerous weapon is a gun, knife, razor, or any other object, which by the manner it is used or intended to be used, is capable of inflicting bodily harm. Families, children, staff or guests (other than law enforcement officers) possessing a dangerous weapon will not be permitted onto the premises.

In cases that clearly involve a gun, or any other weapon on our premises, the police will be called and the individual(s) involved will be immediately removed from the premises. This policy applies to visible or concealed weapons.

Child Custody

Without a court document, both parents/guardians have equal rights to custody. We are legally bound to respect the wishes of the parent/guardian with legal custody based on a certified copy of the most recent court order, active restraining order, or court-ordered visitation schedule. We

will not accept the responsibility of deciding which parent/guardian has legal custody where there is no court documentation.

Suspected Child Abuse

We are required by law to report all observations of child abuse or neglect cases to the appropriate state authorities if we have reasonable cause to believe or suspect a child is suffering from abuse or neglect or is in danger of abuse or neglect, no matter where the abuse might have occurred. The child protective service agency will determine appropriate action and may conduct an investigation. It then becomes the role of the agency to determine if the report is substantiated and to work with the family to ensure the child's needs are met. Our center will cooperate fully with any investigation and will maintain confidentiality concerning any report of child abuse or neglect.

EMERGENCIES

Lost or Missing Child

In the unlikely event that a child becomes lost or separated from a group, all available staff will search for the child. If the child is not located within 5 minutes, the family and the police will be notified.

Fire Safety

Our center is fully equipped with Fire Alarms, Extinguishers, and rolling cribs.

Our fire evacuation plan is reviewed with the children and staff on a regular basis.

Emergency Transportation

In the event your child needs to be transported due to a medical emergency, if no other authorized person can be contacted and the need for transportation is essential, an ambulance will be called for transportation. A proper escort will accompany and remain with the child until a family member or emergency contact arrives.

CENTER POLICIES

Our center policies not included in this handbook are reviewed bi- annually and updated as needed. They are available for review upon request to the center director.
