

# 9025 NORTHEAST FLORIDA ENGINEERS WEEK HIGH SCHOOL SCHOLARSHIP AWARD

Thank you for your interest in the Northeast Florida Engineer's Week Scholarship Program.

Founded in 1951 by the National Society of Professional Engineers, **Engineers Week** is celebrated annually in February by thousands of engineers, engineering students, teachers, and leaders in government and business. This consortium includes more than 100 engineering, scientific, and educational societies and major corporations dedicated to enhancing the public understanding of the engineering profession and to promoting pre-college interest in math, science, and engineering as a career option.

As a professional industry, we believe and recognize that to achieve our **Engineers Week** objectives, we must include **education** as a key element. To that end, the *2025 Northeast Florida Engineers Week Committee* and the engineering community is planning to award up to **\$1,000** in **scholarships** to three (3) deserving high school students who intend to go to college and major in engineering.

The *2025 Northeast Florida Engineers Week Committee* is searching our local community for recipients of this prestigious scholarship award. Scholarship recipients will be recognized at **Engineers Week Kickoff Luncheon** Friday, February 14, 2025. For more information on Engineers Week, please visit the website [nefleweek.com](http://nefleweek.com).

**Application submittal deadline is Monday, January 13, 2025.**

**Applications may be submitted electronically but must be received by 11:59 p.m. on Monday, January 13, 2025.**

**Applications should be sent directly to the Engineers Week High School Scholarship Committee Chair, Cheryl Lynn Freeman at [cheryl@go321strategies.com](mailto:cheryl@go321strategies.com).**

**High School Transcripts** should be submitted separately by the high school representative and must be received by **January 13, 2025**. Counselor or representative can send electronically or scan high school class course pages of the transcript for courses for grades 9, 10, 11, and 12, class rank, community service hours, and GPAs. Emails and inquiries from School Counselors should be directed to **Cheryl Lynn Freeman at [cheryl@go321strategies.com](mailto:cheryl@go321strategies.com).**

**Certified transcripts and applications can be mailed to the following address but must be received by January 13, 2025. Items will be retrieved from the mailbox on January 14, 2025.**

- **Certified transcript of courses must be included with the scholarship application (electronic or mailed). *Personal information regarding health records, SSN, etc. should not be included.***

### NOTES TO THE APPLICANT

1. Judging will be made by the local Engineers Week Scholarship Committee on the basis of each candidate's high school record.
2. The courses taken and the credits earned for the 10<sup>th</sup> through first semester 12<sup>th</sup> grades will be used to help evaluate the application. All courses except physical education and drivers' education will be considered. You will be awarded supplemental credit for math, computer, natural science, and mechanical drawing courses, as well as honors, advanced placement (AP), IB, and college-level/dual enrollment courses. For purposes of this application, college-level courses are defined as those offered by university, college, or junior college for which the applicant earns special high school or college credit.

***Personal information pertaining to Social Security Number and health records should not be included as part of the transcript. Sealed transcripts may be mailed separately by the school to the attention of the Scholarship Committee Chair listed.***

3. **Scholarships are paid directly to the college.** All scholarships are contingent upon your enrollment in an engineering program. The engineering program you enroll in must be accredited by the National Engineering Accreditation Commission of the Accreditation Board of Engineering and Technology (ABET).
4. All applicants must intend to earn a degree in engineering and to enter the practice of engineering after graduation.
5. All scholarship recipients will be announced at the Engineers Week Kick Off Luncheon. Scholarship winners are invited to be recognized for their awards at the luncheon.
6. Keep a copy of your completed application for future reference.
7. State whether you are eligible for or have received any other scholarships.
8. Application can be handwritten and scanned or completely electronically.
9. A **brief biography and picture** should be submitted with the application (To be used for award announcement during Engineers Week activities.)
