Members Present: Miranda Smith, Debbie Carol, Jory Sorensen, Cassie Keller, Karen Hatfield, Janell Gear, Heather Hawkins, Joni Shepard, Joy Zeller, Carolee Hawkins, Carrie Zentner & Karen Provenza.

Time	Meeting called to order by Miranda Smith in the library at 5 pm
Treasurer's Report	Spreadsheet was shown with income and expenses to date. Bank Balance-General Booster Account-\$12,668.14 Bingo-\$38,335.51
Bingo Update	Joy can call now. Need a couple of more callers. Have 5 games managers. 2 Saturday spots-1st and 2nd Saturday possibly available. possibly get the bands help. Need to figure out donating funds. Need to figure out when to do a must go. Do it on a Wednesday this time.
Happier Holidays Project	Happier Holidays Project was a huge success. We were able to help 95 students with the generous help of NHS students, Booster Club, Booster members and community members who sponsored students, staff GJHS parents and community members and businesses who donated. NHS came up with the idea to have a GJHS Giving Tree. Zach Pomeroy clothed Buddy the Elf in a Tiger suit and we used him in our promotions. NHS students and Booster members helped organize and wrap gifts for students. Approximately \$4500 of the \$5,000 that was allocated from Booster Club to the project was spent. Cassie Keller and Karen Provenza spearheaded the project and worked hard to make it a success with lots of support. Much was learned to improve and simplify the project next year. Thank you notes from students and Booster Club will be sent to people who participated in the project.
50th Anniversary of Women's Basketball Celebrations	Committee organizing the 50th Women's basketball celebration has asked for Booster Club support of the celebration. No formal request yet but hoping for some help with shirts or possibly decorations. It will be Feb. 21. StuCo will be hosting tours starting at 4:00. 4:30 will be a meet and greet and 5:30 is the game vs. Durango A Facebook event page has been created to reach as many former players as possible in hopes they will attend. Coaches will be recognized at half time as well as the players. There have only been 6 coaches over the 50 years.
GJHS Athletic Hall of Fame	Twelve inductees will be recognized at the Men's basketball game vs. Central as the Inaugural 2025 Hall of Fame Class. On Jan. 25 there will be a brunch for inductees, families and GJHS community followed by the induction ceremony in the library. A video will be shown for each inductee and they will receive a replica of the bronze tiger sculpture in front of the school. Former Athletic Director Steve Woytek and current Athletic Director Shawn Marsh have spent countless hours and a lot of work starting this incredible tradition. There was a committee of 32 former athletes who worked on each decade over 2 years to select the inductees.
Center Court Brass Marker	A brass marker marking center court from the old GJHS gym will be placed in the student parking lot.

Gym Floor Squares	We will sell squares of gym floor at upcoming basketball games and possibly wrestling matches. Will create a sign up Genius to get volunteers to help with that.
Update to Booster website	Coming soon-bylaws added, treasurer's report, what else? Minutes should be added. More information to come.
