Spring baseball is back!

Harper Woods Recreation Department and Eagle Sports Club are teaming up to bring spring baseball back to the Harper Woods community! We will play a six week season, starting April 25, and ending June 6. Each team will play two games a week. One game on a week day and one game on Saturday. We are offering two divisions both of which are co-ed baseball divisions, a 6-8 year old coach pitch division and a 9-11 year old kid pitch division.

The cost is \$50 which includes a hat, jersey, and socks for each player. We will supply the bats, helmets, catching equipment, and pitching machines. Don't miss out on this amazing opportunity, sign up today!
