***NOTE: Placement of portable or mobile storage containers which will remain on private property in excess of 72 hours requires a permit obtained from the City Manager. Permits for storage containers to remain on property in excess of 72 hours will only be authorized for 30 calendar days. Portable or mobile storage containers are prohibited from being placed on an unpaved area in the front yard of a property. Portable storage containers kept on-site must be kept in the driveway or paved, off-street surface on the property. Where possible, the unit shall be placed on a paved surface to the rear or side of the principal structure. When possible the container shall be located at least ten feet from any property line, space permitting. Advertising is prohibited with the exception of the name, address and telephone number of the owner or company providing the container displayed in a weather proof manner on the container. Hazardous Materials shall not be stored within the container. No more than two portable storage containers shall be located on the same parcel of land.***

***\*\*\* Any portable storage container not in compliance with this ordinance may be abated by the City at the owner's expense \*\*\****
